Central Yorke School

Dear Families and Friends of Central Yorke School,

We are excited to announce that the Parents and Friends Group is being relaunched as *Friends of Central Yorke School*! This is a fantastic opportunity to connect with other parents, caregivers and community members, as well as contribute to the growth of our wonderful school. Throughout the year, there will be many opportunities to volunteer at various fundraising events and other activities, share your ideas and spend time with like-minded members of our school community, working together to see CYS flourish and thrive. We welcome all who wish to contribute in any way!

To kick things off, we're hosting an afternoon tea on Monday, June 2nd, at 2pm in the Central Yorke Library. This will be a casual meet-and-greet where we'll discuss fundraising efforts and upcoming activities. If you've never been part of the Parents and Friends group before, this is the perfect chance to learn more about what we do and meet new people. Children are more than welcome to join us.
