CENTRAL YORKE SCHOOL NEWSLETTER  
FEBRUARY 1 | 2019

Government of South Australia  
Department for Education

## Welcome to the 2019 school year!

**B**efore I start my article I would publicly like to congratulate our very own Mr Tim Tuck who was a worthy recipient of the Maitland Citizen of the Year Award for 2019.

Mr Tuck embodies everything our school stands for. He lives our school values of Respect, Relationships and Resilience and all students at our school have a story of where Mr Tuck has had a positive influence on them in their education.

Mr Tuck has been involved with our school community for generations of students and even as they return as parents they talk about how great Mr Tuck is. Whether

it be our school newsletter he is creating, playing music in our concert band, writing/directing our productions or in the classroom doing what he does best, he does it all with great passion and with one goal in mind- to provide the best experience for all students at Central Yorke.

Tim, on behalf of our school community I would like to say thank you for all that you do for us. Enjoy 2019 as Maitland Citizen of the Year, I cannot think of anyone else who deserves it more.

I must also congratulate Clive Kelly for his Australia Day Award. Clive was a long-serving MAS School Chairman

↑ Tim with his Maitland Citizen of the Year Award

↑ Clive Kelly receives his certificate from Judy Gerschwitz

and instrumental in securing funding and construction of our school recreation centre and later the town airstrip. Well done!

## Renovations and upgrades

So much has happened again over holidays that the place is looking considerably different and more in line with 21st Century Learning. I really encourage parents to come in and have a look at the changes to both inside and outside areas.

The rest of our classrooms and front office have all received a facelift, our staff have a new staff room and we have put in new drink taps with bottle fillers for the students.

We have upgraded more of the ICT within the school by buying some Chrome-Books so our primary and middle school students could use Google Classroom as a platform for learning 24/7.

While I write this article we are currently completing the nature playground for the primary students.

## Student News

I would particularly like to welcome students, and their families, who are new to Central Yorke School.

This is a school which focuses on developing positive relationships between families and staff, and I know that we can work together to provide opportunities for your child(ren) to enjoy success in their studies.

It was with great excitement we started the first day with 203 students R-12 and 264 students across all three sites. Our kindy is nearing capacity and will soon look to becoming a full time Early Learning Centre.

Walking the halls of the school, every classroom once again has a class in it working hard. Our staff have a renewed enthusiasm and there is a feel around the school of excitement and vigour.

My main aim this year is to continue to work with the community to ensure Central Yorke School is a place that all the community is proud of, and that enables all students to develop the necessary skills, attitudes and

competencies that allows them to become positive, productive members of our community.

As a B-12 school with a rich culture, we are still developing and amending procedures. Your feedback in this process is crucial, so please do not hesitate to contact the school if you have any concerns or ideas that can improve what we do. We are all in this together.

## Appropriate behaviour

Harassment, physical violence, disrupting others learning, any form of substance abuse cannot be tolerated in a school setting. Teachers and students have a right to learn together to make a difference in a safe supportive environment.

**Appearances**, including the ways the grounds, buildings and classrooms are cared for. There seems to be an absence of graffiti and rubbish in our surrounds and the school certainly looks great. It is something I have acknowledged and expect to continue.

Students wearing **uniform** is very important, it sets work apart from the weekend or after school activity. We believe it helps to build identity and pride; it is a discipline that I think helps create a better learning environment.

### **Punctuality/Attendance**

All students need to be at school and to their lessons on time, continual lateness and/or non-attendance has a dramatic effect on a students' learning. Support from parents here is critical especially in the years where students are reliant on parents to make this happen.

### **Bullying/Harassment**

My belief here is that all children and staff have the right to come to school, to learn or teach in a harassment free environment. No one has the right to negatively affect another person's learning. We will strongly support this policy across the school. If your child is being harassed, bullied in any way, then we wish to know about it ASAP.

As part of our Bullying and Harassment procedures, both parents and students can report bullying online through the "Stymie" website. Just Google "Stymie" and follow the prompts.

### **Staffing News**

We have had a number of new staff join us at Central Yorke School. It has been great to see staff actively pursuing CYS as a place to teach at. They all bring a wealth of knowledge and new ideas that will support and complement existing pedagogies.

In upcoming Newsletters we will include profiles of each of our new staff. Please support us in making them and their families welcome to our school and wider communities.

## Who Can I Talk To?

Throughout students' schooling, young people can experience a range of experiences, hopefully many more positive than negative. Parents and students sometimes need a staff member to talk to who can assist them in their daily life at school. At Central Yorke School we have a great group of people who can assist you. I would encourage you to contact the relevant staff member with any questions or issues you may have.

## From Strength to Strength

It's really exciting to see our school going from strength to strength and there is a new level of enthusiasm that seems to be buzzing in the corridors. I really appreciate that fact that parents entrust us with the care of their most prized possession. Our mantra this year is for us to push our students to achieve even more than they thought possible. If you do see where we can improve please make a time and come in to have a cuppa and a chat with me over it. If you see where we are going really well, spread the word to everyone and celebrate your child's successes. I hope 2019 is a great year for all of our staff and students.

## Meet the Teacher Evening.

**W**e look forward to 'Meet the Teacher' Evening on Tuesday 5th February 2019. Teachers will be in their classrooms from 6pm – 7pm. Specialist teachers without a home class will make themselves available within the allocations to secondary class meetings for introductions.

This will be a great opportunity to view students' classrooms and get to know the class teachers. As well as being available to answer questions, each teacher will be speaking about class routines and goals for 2019 at the following times for approximately 10 minutes. A complimentary sausage sizzle will be available on the evening from 6 pm

## CYS nut awareness policy

With the start of the new year comes new challenges in ensuring the safety and well-being of our students and staff.

In view of this we would like to draw families' attention to the CYS NUT AWARENESS GUIDELINES for R-12.

# NUT AWARENESS GUIDELINES R-12

## CONTEXT

DECD schools are required to promote and develop learning environments that are safe and supportive. Students and staff may have anaphylactic (severe allergic) conditions that include nut allergies.

This means that exposure at school may constitute a risk to their health and wellbeing.

While it is not possible to guarantee that the school environment will be completely free of potential nut hazards, risks can be minimised by adhering within reasonable guidelines.

## PURPOSE

- To raise the awareness of anaphylactic conditions for all members of the school community
- To provide a safe school environment for all members of the school community

## PARENTS

- Are requested not to send foods along to school with their children that contain nuts. This includes products such as 'Nutella', Peanut Paste, all types of nuts, peanut cooking oil and other foods such as Muesli bars that may contain nuts
- Will be informed of Central Yorke School's Nut Awareness Guidelines at the commencement of each school year and reminders via the Newsletter and social media
- Will provide the school with a Health Care Plan if their child has a serious allergy to nuts

## STUDENTS

- Are advised not to share food from home
- Are encouraged to wash hands before and after eating

## STAFF

- Will be made aware of students and colleagues who have anaphylactic responses to nut allergies
- Will supervise students during lunch eating time and be vigilant with regards to these guidelines
- Will participate in First Aid training to understand responses and procedures related to Anaphylaxis
- Will ensure that food provided through the Canteen, Breakfast Club, for Fundraising purposes, on camps and within lessons, such as Home Ec, does not contain nuts

## PROMOTION

- These guidelines will be shared with the Governing Council and Parents and Friends group
- Information will be distributed via the school newsletter and social media
- Staff will be informed annually at the start of the school year and as part of the induction process for new staff
- New families to the school community will be informed via a copy of the guidelines in the enrolment package.

The school acknowledges that due to current food processing practices, it is impractical to eliminate nuts and nut products entirely from an environment where there is food. The emphasis is therefore on raising awareness and adopting the reasonable procedures termed as "Nut Awareness".

## R-2 Class Update

- In the R-2 Class we are very pleased to have Miss Kath back here as a permanent teacher. We look forward to her working with our children again.
- Miss Linda and Miss Ros will be providing classroom support in there as well.
- Kylie Velder is a pre-service teacher who will be working in this class for the whole of Term 1 as part of her practical component. We welcome her and her skills into this class.
- The R-2 students will continue to travel up to Maitland Campus every Friday up to work with the other R-2 students of CYS. This works out well with lots of whole school events happening on Fridays.
- Miss Kath will be hosting an Open Classroom for parents and family members to attend sometime within the first three weeks. This is to share her classroom rules and expectations, timetables and the curriculum being covered by students. A date will be out later.
- A reminder that all students are required to be in school uniform and wearing hats when outside.

## Early Years Preschool Update

- Miss Rachel is once again our Kindy teacher this year, which is fantastic for continuity. Rachel will also spend Thursdays at the Maitland Kindy which provides us with a stronger link across both of our sites.
- Miss Jacki, Lisa, Sarah and Auntie Charlotte will continue to support Rachel in the pre-school world.
- Because of the success last year, we will continue to hold Kindy on alternate even Mondays, each Tuesday, and each Wednesday; with Occasional Care on Thursdays and Playgroup on Fridays. Regular reviews will be held regarding children attendance at these sessions, resulting in session times and days changing.
- Families are welcome to meet and talk with any staff when they drop off or pick their children up.
- Please let the school know if there are changes to people picking up children or if you are running a little late.
- Please keep the Term 1 Planner somewhere safe to refer to. It has lots of important dates and events on it. Please don't hesitate to contact the Point Pearce Campus if you have any issues or questions.

# from the sports & PE coordinator.

Jason Clifford

**After a successful 2018 on the sporting field we are very excited to enter the 2019 year and try to defend championships and add new ones to the list this year.**

---

The activities below have already been planned for this year. Family and community support is very much welcomed and valued at any of our events throughout the year.

## House Captains 2019

House captains will be elected during week 2. Each house will have a Senior Male and Female Captain (from Year's 11 and 12) and a Junior Male and Female Captain (from Year 6). Good luck to all those who nominate for this role.

## K-12 Sportsday

CYS Sports Day will be held on Friday the 8th of March (Week 6). Training for this will happen throughout the next few weeks and further information will be forwarded on shortly. As in previous years the Javelin, Triple Jump and Long Run will happen before the day. The Javelin and Triple Jump will happen on Tuesday the 5th of March and the Long Run on Thursday the 7th of March. Again, more information will be forwarded on closer to the dates.

To the wonderful helpers that come out and help we will be asking for your help again this year so please contact Jason Clifford at

**[jason.clifford643@schools.sa.edu.au](mailto:jason.clifford643@schools.sa.edu.au)**

Let me know if there are any particular groups/students or events you would like to follow or help out with.

If you would like to join the productive sports committee at CYS, please let me know also.

## Interschool Athletics

Following on from sports day are the Secondary (Yr 8 – 12) and Primary (R – 7) Interschool Sportsdays. The secondary interschool will be held in week 9, Wednesday the 27th of March at Kadina Memorial School. The primary interschool will follow on Thursday the 28th of March at Minlaton District School.

The State Track and Field Championships at Mile End for years 8 – 12 students will be on Tuesday the 9th of April, Week 11. I am looking forward to seeing plenty of CYS students representing our school in the Yorke Peninsula team.

The SAPSASA Athletics Championships will occur during Term 2 with the dates to be confirmed shortly.

## Other term 1 Events

- On Monday the 18th and Tuesday the 19th of February (week 4) the year 9/10's will be heading on an aquatics camp to Port Vincent. This will give them the opportunity to be involved in a variety of water activities including kayaking, windsurfing, sailing, kneeboarding and snorkelling.
- Reception to Year 6 Students are involved in swimming lessons during weeks 2 and 3 with the weather looking great.
- SAPSASA cricket and tennis dates are yet to be confirmed but parents and students will be informed as soon as we know the dates for these.
- The Adelaide Crows AFLW team will be holding a girls football clinic for students in years 4 – 7 on Monday of week 3 and afterwards there will be a presentation from the Adelaide Crows AFL staff to Primary students.
- On Tuesday the 19th February some Adelaide Crows AFL players will visit the school for a kick and catch and a Q + A and signing session.

## Upcoming Term 2 Events:

- CYS cross-country -17th May
- SACE Outdoor Ed Rockclimbing Camp 15th – 17th May (Wed – Fri) TBC
- SACE Physical Ed Kayaking Camp 22nd – 24th May (Wed – Fri)
- 8/9 9-a-side football - 21st May
- Open Boys and Girls Basketball -29th May
- 8/9 Netball - 6th June

Other SAPSASA events such as football and netball will run throughout the year but dates for these events depend upon school nominations and draws.

Details about SYP SAPSASA try outs for a range of sports will be advertised through the school's morning bulletin to students and will be forwarded on to relevant students and families as information comes to hand throughout the year.

## R-Z CHINESE NEW YEAR

The Receptions worked with the Year 1 class to celebrate Chinese New Year. We looked on a world map to find China and learnt that it is part of Asia. Chinese New Year celebrations go for 15 days! It is celebrated with a special meal of dumplings and a lantern festival. We practiced our cutting skills to make our own lanterns using red paper as red symbolizes good luck. Don't they look great!

## New "Bushfires and Your Child's School or Preschool" brochure released.

Parents are encouraged to access a new brochure which provides important information about what our schools/preschools will do on a catastrophic fire day or in the event of a fire.

Bushfires can occur at any time during summer. It's important that our families understand our Site Emergency Plan are prepared and have a plan in place for their family when these situations arise.

If there is a bushfire emergency while children are onsite we will keep them safe until the danger has cleared even if this is outside of normal school hours.

For a copy of the brochure visit [www.education.sa.gov.au](http://www.education.sa.gov.au) & search 'bushfire brochure'.

PLEASE ensure that we have your up to date contact details, so that if a Bushfire should occur, we can notify you of our situation. We appreciate your co-operation in this regards and it will give you peace of mind that we can inform you of what is happening.
