CENTRAL YORKE SCHOOL NEWSLETTER
JULY 25 | 2019

Government of South Australia
Department for Education

Grant Keleher

Welcome back to Term 3

Welcome back to Term 3 and the halfway point of the year. I thought it would be appropriate to reflect on where we have come from, look to where we are going and to hit the reset button in regards to a few issues.

Staff Movement

Last term we said farewell to Beth Hector who has won the role as Principal at Koonibba Primary School.

As a result we welcome Chelsea Schmidt into the role as Deputy and also Shayla Vince who has won the position as SAASTA coordinator. I would also like to provide a warm welcome to Claudia Agnew who will

now back fill the teaching role left open. With the shuffle in staff comes a new timetable from Week 2 with also some teachers filling other classes within the school.

We also welcome Scott Moore and Fiona Lee Buttfield back to the school as they return from long service leave.

New Programs

With a new semester starting, we have our Year 12's finishing courses and preparing for exams while our R-11 start new courses within our curriculum frameworks. As in Semester 1 you should receive programs

outlining what your child will learn, please check your child's subject books to make sure that this happens.

Parent Opinion Survey

In the next few weeks you will see a post of Facebook and an article in newsletters re our Parent Opinion Survey.

We value all parent opinions with what we are doing well and the ways that we can improve what we do at our school.

This year it will be primarily electronic, although you will still be able to get a paper version by asking at the front office of the school.

Keep an eye out for the link across our communication tools and I look forward to reading what our community has to say.

Uniform

With the colder months setting upon us I would like to remind families of our winter uniform. Around the school lately I have seen blue pants and tights starting to creep in.

E dl.0761.info@schools.sa.edu.au

I would like to remind families that these options are not part of our school uniform and students need to be in the proper attire.

We have many financial options available to help parents access a school uniform if you cannot afford one.

I ask that our school community support our uniform policy and dress your child appropriately.

If you would like to access our uniform policy you can find one in the front of your child's diary or you can access one from the front office.

Our school uniform is a beacon of pride and gives our students a sense of belonging, it also represents who we are and what we stand for.

You wouldn't go to a solicitor if they were dressed in overalls and had a wrench in their hand. A uniform also reflects our students' social standing and recognises them within the community.

While on the topic of uniforms, a big thank you must go to our SRC who have designed and produced jackets that will become a part of our school uniform.

The jackets are currently in production and parents can order them through our student services if they wish.

Attendance

It is a little disappointing to see that our overall attendance has dropped last semester. This is the first time that we have dropped under 90% in 4 years.

We will be making it a top priority in Semester 2 to raise the bar and have students on time at school every day. Attendance at school is crucial for learning and something that we need to work in partnership with families to improve.

And Finally...

Thankyou for your support of our school in the first half of this year. Your honest feedback to both administration and teaching staff have highlighted where we can better cater for our students and family.

Our school is buzzing with excitement at the moment and it is a dynamic learning institution.

You may see a few things that look different in the near future as we look to cater for the new learning dynamic and create courses that provide the right 21st Century skills that are relevant to the students of today.

Like always if you have any questions or would like to voice your opinion, please by all means come in and let us know or talk to one of our Governing Council members.

Until next time

Grant Keleher.

ENROL NOW
IN PRESCHOOL

Going to preschool helps your child to learn new things, make friends and develop confidence.

Children who turn 4 before 1 May 2020 can start preschool at the beginning of the year before they start school.

Contact Central Yorke Early Learning Centre on 8832 2613 or email dl.0761.info@schools.sa.edu.au to register your child now for 2020

Early Learning Centre **TERM 3 WEEK 1**

The Kindy students were back to school this week, full of energy and enthusiasm. The chilly weather made some indoor activities popular but didn't deter lots of children from exploring the learning opportunities outside,

Adelaide Symphony Orchestra Concert

Tim Tuck | Coordinator

On Wednesday July 3, the Yorke Peninsula Combined Schools Concert Band performed the curtain raiser for the Adelaide Symphony Orchestra's Port Pirie concert at the Northern Festival Centre.

Conducted by Instrumental Music teacher Debbie Schwartz, the forty piece band of students, staff and community members from Maitland, Ardrossan, Minlaton and Yorketown were joined by nine ASO

members to perform 'Fantasia 2000', a medley of classical pieces from Disney's movie 'Fantasia'.

The young band played with confidence and professionalism with positive feedback being given by the ASO musicians, management team and audience members for not only the performance but for the Concert Band program.

Kane Moroney, the ASO Audience Development Coordinator told Debbie, “I just wanted to ... congratulate you again for what you are achieving on the Yorke Peninsula. I’m blown away by your tenacity and your drive to teach yourself to conduct and provide the children of the Yorke Peninsula with the opportunity to play together and share music with one another. Coming to Port Pirie was no small undertaking, and you have to all pat yourselves on the back for what you have achieved. The young people were so well behaved, and very easy to work with – they remembered everything and listened so well!”

The plan for a youth orchestra to perform at the concert was suggested by Country Arts SA and Arts Coordinator Sarah Knight

liaised between the ASO and the band, organising and attending a pre-concert rehearsal visit in May.

“Sarah played a pivotal role and was highly supportive and accessible throughout the coordination of this event,” commented Debbie.

Sarah brought ASO musicians Sabine Daniels, Adrian Uren and Janet Carey with her who workshopped and rehearsed the music with the students. She was appreciative of the band’s willingness “to be part of our crazy idea, despite it being such an enormous task and done with such professionalism.”

The band travelled by bus to Port Pirie and watched the ASO rehearse before being ushered down onto the stage. There they

were joined by ASO members on flute, oboe, trumpet, French Horn, clarinet and percussion.

The band was so appreciative of all the musicians for their time and support and who gave our students and community members such a special moment to remember as well as the opportunity to perform in a professional setting with professional instruments,” said Debbie. “I’d also like to thank the ASO Audience Development Coordinator Kane Moroney who did such a fabulous job coordinating us on the day.”

In between the rehearsal and concert students Steph Gersch, Kira Davies and Courtney Lodge were interviewed by ABC radio announcer Angela Smallacombe.

Following their performance the band joined the audience to watch the ASO’s concert then returned home by bus and with parents.

“The YP students performed and behaved in a highly professional manner and were a credit to their schools. Many thanks to all the schools for supporting this amazing event and to the families who travelled up to six hours to be part of this concert.”

ANZAC Spirit School Prize Presentation

The Premier's ANZAC Spirit School Prize provides the opportunity for young South Australians to examine and empathise with the remarkable sacrifices of South Australian service men and women during the 20th century.

The 2019 competition involved students researching a South Australian service man or woman who served during World War 1 or 2. Students also had to discuss how the individual they researched demonstrated the characteristics of the ANZAC spirit.

Student work was judged by the depth of research involved and the written quality of the piece and CYS student Sophie Baker was one of the sixteen state winners. Sophie and her teacher Lauren Smith, (who won the educator's section) were presented with their official ANZAC Spirit Awards at Government House on July 5 and will now both visit Vietnam in October to delve deeper into the history, geography and politics of the Vietnam War.

The movie fundraiser (advertised opposite) will have all proceeds donated to the buying learning resources for the Hong Quang Orphan House in Vung Tau, Vietnam.

PLANET ARK NATIONAL TREE DAY

WE PLANTED TREES WITH THE YP COUNCIL!

The Year 3's and 4's travelled to Port Victoria this week to help the YP Council plant trees on land behind the cemetery.

The land was previously a green waste dump and the council is re-vegetating it.

Thank you to the council helpers and especially to Adrian, who showed us all how to prepare the ground for planting. Thank you to Mr Allen for driving the bus and to Mrs Bubner and Mr Tuck for taking us. We'll have lots of pictures for you next week!
