ACKNOWLEDGEMENT OF LAND

"We acknowledge the Narungga People as the Traditional Owners of this land and we pay our respects to their Elders past, present and emerging."

Finn Galindo

Principal

I want to thank everyone for their support over the term in my time as the CYS Principal.

As we approach the end of the school year, I'm struck by the adaptability and strength our school community has shown. It's been a year of significant change, presenting both challenges and opportunities.

This year has also been about creating memories. Despite the changes, we've found new ways to connect and learn, making the most of every situation. These experiences have not only enriched our school life but also brought us closer together.

SITE IMPROVEMENT

The 2023 site improvement work has focused on developing curriculum that suits every child, utilising improved differentiation strategies and development around Universal Design for Learning.

Our site is also continuing to develop the use of Daymap for formative and summative feedback with student assessment in middle and upper years being managed digitally and provided to every child and parent through the Daymap platform.

We highly encourage you to access this up-to-date information about your child in 2024. You will find details about areas for growth, subject assessments and directions for further development.

SITE UPGRADES

Over the course of the year we have seen many changes around the school. From furnishing classrooms, laying carpet and painting hub spaces, to installing new technologies, our site has benefited from many fixes inside and out, to create inspiring learning spaces for our students.

2024 will see the removal of the old Dental Clinic building and further work around fencing the pool and improving its surrounds. Multiple art installations and murals have been completed this year.

Student engagement in these projects has promoted a sense of pride and belonging. Signage around the school showcases our specialist programs and features our students past and present.

Our Ag facilities have been upgraded, thanks to the support of the community. The Garden to Plate classes now have a fantastic kitchen in which to cook their freshly picked produce.

SITE LEADERSHIP

I would like to thank Sharon Illingworth for her leadership of the school from 2022 to mid 2023. Over the course of her time at Central Yorke School she set in motion many improvements which have seen the school flourish. Development of innovative curriculum, improvement of grounds and facilities, building alliances with other schools on the peninsula, development of a strong staff team and immersion in special events were just some of the many improvements CYS experienced during Sharon's time as principal.

Sharon's work and decisions were always focused on what's best for our students and what could be done to help them thrive. Without her hard work the school would not be in the fortunate position it is in.

Thank you Sharon for your dedication and passion for our school.

Thank you also to Beth Hector who led the site as principal in Term 3, We benefited from her experience and connection to community in the short time we were lucky enough to have her and thank her for her work.

Looking to 2024 we welcome Rob Jeffries as the new principal of Central Yorke School. He has already been onsite multiple times a week in Term 4 to support the transition into the new leadership team and we are looking forward to Rob joining the site fully next year.

CYS STAFF

A special shout out to the amazing staff at CYS, who continually go above and beyond to support CYS students to achieve their best. Many programs run only due to the volunteering and giving nature of staff. These range from the outstanding Ag programs requiring many extra weekend hours, music programs, lunch time swimming, morning breakfast clubs and every camp experience. We are very lucky to have such a dedicated staff and it shows in the professional events, multitude of opportunities and connection students have with their mentors.

STAFF FAREWELLS

2024 will see a number of staff moving on to new positions in the department, starting new adventures or retiring. I would like to thank the following staff for their work at CYS this year and for some, over many years. Thank you to Ali Adams, Betina Davies, Amanda Wheeler, Mackenzie Weltman, Ron Edwards, Georgia Downard, Brittany Lynch and Lauren Schwerdt. We wish you well wherever life takes you!

YEAR 12 LEAVERS

We are looking forward to seeing where our Year 12 leavers' lives take them. We are proud of how far they have come and grown. Good luck to you on all your future endeavours.

LOOKING AHEAD

As we close 2023, plans for 2024 are already well underway and I want to thank everyone for their support over the term as my time as CYS principal.

Warm regards,

Finn Galindo | Principal

PRESENTATION NIGHT

2023

Special Presentation Night
Feature with photos,
speeches & recipients

Governing Council Report

Janine Burrows
Chair of the CYS Governing Council

This year was one of many changes, particularly in the leadership of our school. Throughout those changes I must commend the staff for their flexibility and adaptability to continue to provide excellent care and education for our children. I believe we have a passionate and dedicated teaching staff who go above and beyond to share their knowledge with our children. Thank you all for your efforts.

SCHOOL SUPPORT STAFF

To the school support and administrative staff, thank you also for the passion and dedication you bring to your roles and your continued dedication through changing leadership this year – your consistency to keep our CYS ship on the right track is most appreciated and your efforts often go unacknowledged. David and Paul, thank you for your continued work – you must agree our grounds look amazing – particularly well framed with our new fence.

LEADERSHIP TEAM

To our leadership team – we began 2023 under the guidance of Sharon Illingworth and I acknowledge and thank Sharon for her drive for excellence, her passion to make a difference and her leadership over 18 months.

Following Ms Illingworth’s departure, we welcomed back Mrs Beth Hector to a Principal role for Term 3. It was much appreciated having a familiar face to steady the ship whilst we sought a new Principal, which we did in Mr Rob Jefferies, who has joined us for a day a week in Term 4, before taking over the reins to lead our school from the start of 2024.

Term 4 saw our deputy principal, Finn Galindo step up into the role of Principal for this final term and we commend and thank him for his efforts. We have also appreciated the efforts of Mr Dean Angus who has been on site a few days a week offering some leadership support and guidance to Mr Galindo and our leadership team. His experience and knowledge have been most appreciated.

Again, I would like to really thank all the staff for their adaptability and willingness to step up and take on extra or different duties as changes have occurred across our school. You are appreciated.

ACHIEVEMENTS

As another school year draws to a close, we can reflect on the achievements of our school community, and what we as individuals have contributed to it, the opportunities afforded to us all as a part of the CYS community and how we have benefitted from these or maybe considering what might have been as we realise opportunities we may not have made the most of or missed all together.

SPECIAL MENTIONS

BARRIE KOCH

This year saw the passing of Mr Barrie Koch, Barrie was a much-respected member of the Central Yorke Community. He had been a part of the Maitland Area School and then Central Yorke School community, having been a past member and chairperson of Governing Council when his children were students, Barrie continued to generously give of his time well into his later years, long after his children had graduated. Sharing his knowledge and passion in the field of athletics, particularly in the throwing events. His legacy will continue through the

continued presentation of the Barrie Koch Cup to the Sports Day winners. Vale Barrie Koch.

JAYENLLE LE FEUVRE

I must also congratulate Jaynelle Le Feuvre who was recognised for her continued excellent contribution to our Ag Studies programme. Well done and thank you!

MICHELLE GEATER-JOHNSON

I also wanted to take this opportunity to say thank you and farewell to Michelle Geater-Johnson, who will no longer have a student at CYS. Michelle has been an ongoing parent contributor to not only CYS, but its precursors, Maitland Children's Centre, and Maitland Area School.

She has been actively involved in Parents and Friends across the years and is always willing to contribute baked goods or her time to man stalls at events. Michelle was also much appreciated as a canteen manager. Many thanks Michelle for your service.

A CHALLENGE TO OUR PARENTS...

I ask the parent body to consider joining Governing Council next year, we value all views and opinions on how we can improve our school. It may seem daunting, but it really isn't, and we welcome everyone.

My challenge for you all is to consider your contribution to the school community and how you can help to grow Central Yorke School.

CLOSING

In closing, I extend a warm welcome to Mr Rob Jeffries and his children as he takes on his new role as Principal of CYS. I wish everyone a great festive season and look forward to a great 2024 at Central Yorke School.

2022 Dux Speech

Sophie Baker
CYS Dux of 2022

I am truly grateful and honoured to stand before you today as a past student, receiving the Colin Fahey Dux Award for 2023.

To me, receiving this award is a huge personal achievement. However, it also represents the collective effort of

- The amazing teachers who guided me
- The principal who tirelessly supported student success
- The incredible support of my family

UNIQUE OPPORTUNITIES

Rather than viewing this award as just a token, I view it as a reminder of the unique rewards that come from living rurally and attending a small school. As I reflect on my schooling years here at CYS, what stands out most is the multitude of opportunities I was fortunate to experience.

PREMIER'S ANZAC SPIRIT PRIZE

Participating in the Premier's ANZAC spirit prize, which led to a fully funded two week tour to Vietnam at the age of 15, was a turning point. This opportunity brought with it lifelong friendships, a chance to listen to the remarkable stories of Vietnam veterans and the opportunity to speak to various audiences including Rotary Clubs the local community and ABC radio listeners.

CYS AG PROGRAM

The Agricultural Program at CYS provided another set of enriching experiences, from attending a careers event at Adelaide Oval to leading steers at the Royal Adelaide Show. Following this enjoyable experience, I was asked by one the school's cattle breeders to help out with her own steers each year.

SRC MEMBER

Serving on the SRC and becoming a Head Prefect equipped me with valuable skills, including leadership. This position also gave me a chance to communicate with teaching staff one on one to enhance student learning.

SEIZE THE DAY

So, why share these experiences? The underlying message is a simple encouragement for everyone to seize as many opportunities as possible. While flying to a different country at 15 or leading a half tonne animal may sound daunting, I've learned that the moments of uncertainty are far outweighed by the satisfaction of taking those chances.

A NEW CHAPTER

This year, I embarked on a new chapter in Adelaide, completing my first year in the Bachelor of Nutrition and Dietetics at Flinders University. Like many students, I was uncertain about my path before Year 12, but discovering a passion for nutrition changed everything. Despite Flinders being the only university offering my course, I feel extremely fortunate to attend, given their amazing support during the scary transition from school to university.

In closing, I am deeply honoured to be back here tonight receiving this award surrounded by familiar faces. May this award be a source of inspiration for current and future students and a reminder that hard work, dedication and taking opportunities can lead to remarkable achievements. I would like to congratulate the graduating class of 2023 and wish you all the best in the future endeavours.

Thank you.

2022 Dux Speech

Hon. Emily Bourke MLC

THE MOLLY BYRNE AWARD

Sitting on my desk is a framed photo – a photo I take note of each and every day. It’s a photo of all the Labor MPs who formed Government in 1965, but it’s a particularly special photo.

Proudly standing in the middle of this photo – squeezed between rows of men in black suits, is a proud young mother, dressed in a bright white suit. It is Labor’s first female member of Parliament – Molly Byrne OAM.

Back in the early 60s, to the surprise of many – perhaps even herself, Molly put her hand up to run as a candidate for a seat that had never been held by Labor – the Barossa seat.

Those who did not say it – thought it – Molly had no chance. But, Molly drove down farmers’ dirt tracks and knocked on countless doors. She held BBQ after BBQ.

Molly took it one conversation at a time and after two years, Molly achieved what everyone said was the impossible. Molly Byrne was the first Labor women elected to the South Australian Parliament.

Her challenges did not stop there.

In her second year as an MP, her husband passed away. Now, she was a young single working mother. Molly demonstrated an extraordinary show of strength and determination to continue to represent her community – especially considering this was a time when married women in public service were unable to work by law in South Australia.

Molly made history by taking on a challenge. She did not see defeat – but an opportunity. It is because of the way Molly managed this challenge – not to give up – to believe in

herself – that enabled her to also change the lives of many. Molly made a path into Parliament for many women to follow, including me. Today, we now see more women in the SA Government than men – a national first.

Molly is now 95 and has a clear message – that it’s never enough just for others to believe in your abilities – to make a difference you must first believe in yourself.

Today, I get to present the Molly Byrne award to a student that demonstrates the same determination, leadership and tenacity as Molly. This will be the first year this award is presented to a CYP student. A role model for her peers. Who is always giving her best. She has been described as caring and a student who upholds the values of the school.

Elizabeth Dodd, this award demonstrated that others believe in you and that you are making a difference in your school community.

COMMUNITY AWARDS

VOLUNTEER AWARD

The Volunteer Award is presented to school community members who have volunteered their time to help improve the culture and experience of students at CYS. The Volunteer Award for 2023 went to:

Sheree Brennan

ROWAN RAMSEY AWARD

This award is sponsored by Federal Member of Parliament for Grey, Mr Rowan Ramsey. It recognises dedication in serving the community and working hard to improve the school, involve others and foster relationships between staff, students, and parents. The Award in 2023 went to:

Caroline Roenfeldt

PARENT SERVICE AWARD

The Parent Service award recognises service to the school community, often through groups such as the Parents and Friends or Governing Council. The 2023 Parent Service Award went to:

Michelle Geater-Johnson

LONG TAN SCHOLARSHIP

The Long Tan Scholarship award recognises students who demonstrate leadership and teamwork within the school and the local community. It is named after the 'Battle of Long Tan', one of the first large Australian battles in the Vietnam War. In 2023, the Scholarships were awarded to:

Bella Chapman & Billy Eveleigh

ADF FUTURE INNOVATORS AWARD

This award recognises recipients' science and mathematics abilities while highlighting the value the Navy, Army and Air Force place on STEM skills and STEM career opportunities within Defence. In 2023, the award went to:

Mitchell Brook

PHOTO ALBUM

Royal Flying Doctor Service Colour Run Fund Raiser

FRIDAY, DECEMBER 1

 ur 2023 Colour Run on Friday December 1 was organised by the SRC as a fundraiser for the Royal Flying Doctor Service and began in the PAC with presentations by Moira Davidson-Copping (President of the RFDS Copper Coasts & Districts Support Group), Julie Brook and Annemarie Schulz (Volunteers with the SA Ambulance Service) and Michelle Geater-Johnson.

The Colour Run itself was held on the Primary Oval, through the Nature play area and around the Recreation Centre.

The SRC and support staff powdered and sprayed students and adults as they ran through stations around the course and everyone were very quickly colourful shades of everything!

We raised over \$400 for the RFDS.

Stig Wemyss Visit

FRIDAY, DECEMBER 1

Author, actor and narrator Stig Wemyss visited us Friday, December 1, on a state wide tour promoting the SA Library's 'Borrowbox' online borrowing app. Stig's energy and enthusiasm were irrepressible as he entertained and educated the responsive R-8 audience.

With games, giveaways, jokes, skits and readings from the Andy Griffith book, his hour-long show passed quickly with lots of laughs and giggles. Stig also graciously stayed after the show to present merit cards and birthday cards and read the house point scores at the Primary Assembly.

Scotch College Visit to Point Pearce

THURSDAY, NOVEMBER 30

We are really excited to be building a relationship between Scotch College, the Point Pearce and Maitland Campuses of Central Yorke School as well as the students attending the Lutheran School. The respect the Scotch College students have shown for Nharangga Culture during their visits to the Point Pearce Campus over the last few years, combined with their desire to learn more, has resulted in a wonderful friendship and partnership between the Nharangga community and the Scotch College Community. The students have made some great friends during the visits and we are excited to see what benefits this relationship can bring to both communities.

KATH MAGAREY | HEAD OF POINT PEARCE

On Wednesday the 29th of November a group of 13 students embarked on an adventure to the Yorke Peninsula seeking to strengthen our connection to the wider Nharangga community. Originating from our association with Goose Island, we wanted to serve the local community to build a deeper relationship and display genuine gratitude for the hospitality they have provided our campus for decades. For many years Nharangga country has provided memories and experiences to students that have resonated far beyond our school community. Hosting a breakfast at the Point Pearce school provided a community event for both the Point Pearce and Scotch College students. What started

as a few competitive games of dodgeball, then moved from basketball to tug of war and finished with a shared meal. The event was the start of something very special. It started friendships, a yearly tradition and a strengthened connection to the local community and its country.

LOUIS MERRIGAN (SCHOOL CAPTAIN)

We felt honoured to be embraced by the Point Pearce community, experiencing genuine kindness, appreciation and desire for connection. To be welcomed in the way we were, made us all feel so included. The activities, supported by the community, allowed for meaningful collaborations with the families on the Yorke Peninsula. The rewards of this experience are ongoing, as the memories created had a resonating and deep impact on all of us. As we departed for Adelaide, conversations on the bus reflected the authentic gratitude amongst fellow students who all expressed their desire to return. The connection made with Point Pearce in such a short time is a credit to the strong connection within their community.

ELLA IFOULD (SCHOOL CAPTAIN)

CHRISTMAS ON THE GREEN

Santa Claus is coming to CYS!

WEDNESDAY WEEK 8 (6/12)

5:00PM - 7:30PM

PAC & SOCCER PITCH

WEDNESDAY, DECEMBER 6

Our annual festive event was held on Wednesday, December 6 with a sunny day providing a welcome backdrop for the stalls, food carts and entertainment.

The evening started at 5.00pm with the Governing Council BBQ firing up. The delicious steak sandwiches and sausages were in hot demand, with a line snaking around the front entrance to the PAC.

The home made lemonade stand also proved popular and visitors also enjoyed shopping for special Christmas gifts on the student stalls, playing the games on the green and listening to Mrs Schwartz's instrumental students played Christmas Songs.

But with the timely arrival of Santa at 6.30pm it was time to start the concert.

CONCERT TIME

Santa helped sing our opening song but was called away unexpectedly due to an emergency at the North Pole. Fortunately, Principal Mr Galindo appeared soon afterwards to fill the hole left by the big man's departure. There was a wide variety of songs, plays, dances and fun over the next hour including:

- R/1 Dance
- ELC Little Snowmen
- 2/3 Toymaker dance/drama
- 4/5 Silent Night on guitar
- 2/3 Carol of the Bells
- 6/7 Boomwhacker Jingle Bells and audience participation
- Year 9 multitrack Jingle Bells video
- 6/7 Christmas Media project
- 'The Myrtles' rock band
- CYS Christmas Carollers
- Santa's elves presents
- R/1 Feliz Navidad

A big thank you to all the students and their families who attended, the P & F and Governing Council for their hard work, to the staff who organised stalls, rehearsed Christmas items, assisted Santa and supervised children and to Mrs Cripps and Mr Tuck for preparing our children for the festive event..

ELC Graduation

WEDNESDAY, DECEMBER 13

The 2023 Kindy students graduated to Primary School in a special ceremony held in the Performing Arts Centre on Wednesday, December 13.

More than 70 family members were in attendance for the special assembly.

The children recited - and acted out - a special Acknowledgement of Land then sang a Narungga version of 'Incy Wincy Spider'.

Anna Allen, Head of the ELC, gave a short address in which she outlined the centre's 2023 programs, highlighted the children's

achievements and thanked staff and families for the part they all played in the Kindy children's ongoing development.

Each child then received a book and certificate and explained to the audience what their 'favourite part of kindy' was. The two most popular responses were 'painting' and 'everything'!

A video recap of the year followed, courtesy of Mr Tuck, then the children and families returned to the Kindy for afternoon tea.

Year 6 Graduation

THURSDAY, DECEMBER 14

Our Year 6 Graduation Ceremony was postponed after the Catastrophic Fire Alert last week and was instead held in conjunction with the last Primary Assembly of the year.

Mr Tuck opened the assembly and welcomed the students and the families of the graduating Year 6s. Year 6 teacher Ms Smart spoke about the students strengths, abilities and special talents and praised the students for their resilience, perseverance in extending themselves and their developing maturity and social skills.

Each student was acknowledged with a certificate and card. A video of their Reception Year was then the class exited for a photoshoot with Mrs Hasting in the Primary Play Area.

YEAR 6 CLASS OF 2023

- Sam Andrews
- Katrina Bennett
- Sophie Burrows
- Alice Butler
- Josiah Davey Smith
- Lily Davies
- Austen Mann
- Jarrad Nixon

Garden To Plate

The Garden to Plate students have been busy tasting the apricot jam made from our apricots that were picked and frozen back in January. They also made a complex roasted pumpkin relish, created mini hot houses to germinate a variety of seeds and seeing if they would have more success within an egg shell. A big shout out to the R/1 class for cleaning up the Ag Block fence line to care for our animals.

YEAR 9 AQUATICS CAMP

The Year 9s travelled to the Murraylands Aquatic Centre in Murray Bridge to participate in a variety of different aquatic activities on the river. The students learnt to Kneebboard, Waterski, Stand up paddle board, Small boat handling and Sail! Although the camp was cut short due to unforeseen weather, the year 9s made the most of their time on the river, learning new skills and representing their school with pride. What a fun way to finish of the year for this group.

MISS DOWNARD & MISS SCHWERTD.

Breaking News

We're delighted to advise that Rhys Heinrich's nomination has been successful to join the National Student Voice Council in 2024.

The council represents students from across Australia and Rhys will be one of two students that will represent SA at the NSV.

Congratulations Rhys on an outstanding achievement!

Phone 8832 2613 or email dl.0761.info@schools.sa.edu.au

RUGBY JUMPERS

There has been a delay in the delivery of the rugby jumpers due to manufacturing issues. We will be in contact with families who have pre-ordered as soon as we have them.

A festive poster for the Maitland Christmas celebration. At the top is a red Christmas ornament with gold snowflake patterns, hanging from a red ribbon. The text is centered and reads: "MAITLAND CHRISTMAS celebration" (with "CHRISTMAS" in large red letters and "celebration" in green script). Below this, it lists activities: "15 DECEMBER, 2023 | 5PM TIL LATE", "MARKET STALLS", "KIDS ACTIVITIES", "FOOD WINE & BEER", and "LIVE CAROLS". The word "SANTA" is underlined in red. At the bottom, it says "3 ROBERT STREET MAITLAND". The entire poster is framed by a green pine branch border.

A poster for Adelaide Strikers Holiday Programs. The top left features the "ADELAIDE Strikers" logo. The main text reads "HOLIDAY PROGRAMS" in large white letters. Below this, it says "Cricket Blast Holiday Program", "Kadina - Kadina Oval", and "Thurs 4 & Fri 5 January 930am-12pm each day". At the bottom, it says "VISIT ADELAIDESTRIKERS.COM.AU FOR MORE INFORMATION". The right side of the poster shows two young cricketers in blue and white uniforms, one holding a bat and the other a ball, against a blue background with a white cricket ball graphic.
