PRINCIPAL'S REPORT

Driving our achievements

Wow, I can't believe that my five weeks of Long Service Leave went that quick!

But now it's great to be back at school immersing myself in all of the great teaching and learning that's going on. It's also gratifying to be seeing some of the wonderful examples of student achievement and rich learning conversations between staff and students over next step learning and the curriculum decisions that will further drive this.

IMPROVING OUTCOMES

Our teachers have done an excellent job of working with our students to improve learning outcomes. NAPLAN results are about to be released to parents and I can already say our results are some of the best I have seen. Many of our students are in the higher bands for their age group and nearly all of our students achieved National Minimum Standard. Two years ago, the growth in our results ranked us 4th on SA. I'm hoping that this year we rank even higher.

ON THE COVER

The ELC teaching team all got into the Book Week spirit with these inspiring book-themed costumes.

15 CENTRAL YORKE SCHOOL NEWSLETTER
SEPTEMBER 21 2021

"We acknowledge the

Narungga People as the

Traditional Owners of this land and
we pay our respects to their Elders

past, present and emerging."

PARENT SUPPORT

With our year once again being ravaged by Covid, none of this could have been possible without the help of our parents, who have been such good partners in our children's education journey.

I love the job of being Principal of Central Yorke School. Our students are amazing; our community is great and our staff support the learning potential of our children. I can truly say they go above and beyond. Certainly one of the best parts of my role is being able to celebrate the amazing things our staff and students do and the achievements they amass over their time with us.

SCHOOL SHORTS

With the warmer months upon us, students are starting to wear shorts once again. The school ordered CYS shorts at the start of the year, which many families now have. I encourage all students to start wearing these shorts in the warmer weather as they will be an official part of the uniform in 2022. We sell them in our front office, so feel free to pop in and buy some for your children if they need them.

THANKS TO OUR SSO'S

Two weeks ago was SSO week and we celebrated the wonderful work our Student Services Officers do at Central Yorke School. We currently have many SSO's working at our school doing a variety of roles including grounds, classroom intervention, front office administration, library and ICT. Our SSO's work hard to provide a positive and supportive environment so our children can enjoy learning with their teachers, working tirelessly for our school to make it the best it can be. Please take the opportunity when you can, to thank an SSO for all their efforts in making our school great.

PUPIL FREE DAY/SCHOOL CLOSURE

Please note that we have a pupil free day on Friday the 10th of September and that staff will be working on Site Improvement through the Australian Curriculum. As a school, we feel that providing a rigorous curriculum that stretches student learning is everyone's business and this professional development will give our staff the tools and capabilities to provide rich learning experiences and a tailored curriculum for our students. The world has changed, and we need to be one step ahead to provide our students with the tools to be successful once they leave school.

School News in Brief

CHANGES TO SCHOOL AND CANTEEN BANKING

The Central Yorke School Governing Council have approved the transition of our school and canteen banking to the Commonwealth Bank. The Commonwealth Bank is the Department for Education's preferred provider for across government banking. As of September 1st, 2021 our new bank details for the school are as follows:

Central Yorke School Council Inc

BSB: 065 503

Account no: 1021 4238

Please update our new details in your internet banking to ensure your regular payments from September 1, 2021 continue to reach us. No action is required for families using the Qkr! app and Centrepay. We will update details within those platforms so your payments will continue as normal.

There will be no change to canteen lunch ordering via the Qkr! App, we'll update the bank details there. However, the canteen will now be equipped with an EFTPOS facility to allow for contactless transactions and direct payment of 'over the phone' lunch orders. We hope for a seamless transition to our new banking provider.

THANK YOU TO DRAKES

CYS would like to thank Drakes for their ongoing donation of bread to our Breakfast Club Program.

PLANNING AHEAD FOR 2022

Don't forget to let us know, in writing, if your child will not be attending Central Yorke School next year. Also, if you have family or friends moving to

the district and who definitely want to enrol their children here, please let us know so they can be considered in the class placements.

We'd like as much information about 2022 numbers as possible so we can structure the classes according to student needs.

Please put your request in writing, or alternatively, make a time soon to see one of the leadership team to discuss your child's needs.

CYS PORK FOR SALE

The Ag Block has delicious fresh pork for sale:

- Roast pork - \$7/kg
- Chops - \$11kg
- Ribs - \$13kg

Please contact Jaynelle Le Feuvre by email at **Jaynelle.LeFeuvre457@schools.sa.edu.au** by 4pm, Friday September 3.

PUPIL FREE DAY REMINDER

A reminder that this term's pupil free day is Friday September 10.

BOOK WEEK 2021

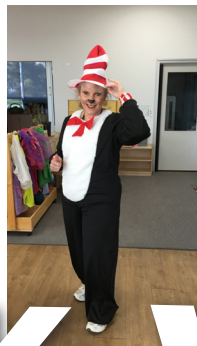

OLD WORLDS, NEW WORLDS, OTHER WORLDS

Photography Competition, Guess the Mr Men, Book Week Assembly, Costumes, Class Presentations and Awards

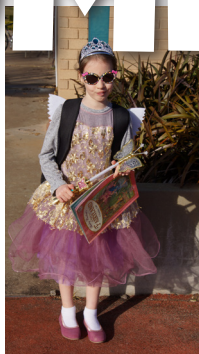

BOOKWEEK

GOSTUMES

BOOK WEEK

The Book Week theme this year was 'Old Worlds, New Worlds, Other Worlds' and congratulations go to all the staff and students who dressed up on Thursday.

The Primary staff looked great in their 'Other World' costumes from the Little Miss and Mr Men books while the ELC staff costumes featured parrots, Harry Potter and the Cat In the Hat (to list just a few!)

YOU CAN READ ALMOST ANYWHERE...

The Assembly started with the world premier of a specially written Book Week song featuring all the 'Reading In an Unusual Place' photos that have been taken over the past month. The 5/6 class and our ACEO Sonya then retold the story of Buthera's Rock using drawings and photographs.

Next up it was each class's turn to present an item highlighting a short-listed book for 2021.

Point Pearce chose **No! Never!** by Libby Hathorn & Lisa Hathorn-Jarman and this book won the Book of the Year: Early Childhood category. The students showed their drawings based on the book.

The **Early Learning Centre** chose **Busy Beaks** by Sarah Allen and the students showed their paintings of a parrot.

The **Learning Hub** videoed the students talking about **Ribbit Rabbit Robot** by Sofya Karmazina.

Mrs Webb's R/1 Class did **There's No such Thing** by Heidi McKinnon. Each student showed the first letter of their name decorated as a monster.

Ms Whittaker's 1/2 class did **Norton and the Bear** by Gabriel Evans. Each student showed their bear.

2021 ASSEMBLY

Ms Kotz's 2/3 class did **Your Birthday was the Best!** by Maggie Hutchings & Felicita Sala which was an Honour Book. They recreated the book using their own drawings and then videoed a student reading their version.

Mrs Westbrook and Mr Wiley's 4/5 class did **The Illustrated Encyclopaedia of Dangerous Animals** by Sami Bayly which was also an Honour Book. Each student chose a dangerous animal and showed its picture before reading some information about the animal.

Ms Nixon's 5/6 class completed the class presentations with **Shirley Purdie: My Story**, **Ngaginybe Jarra** by Shirley Purdie.

AWARDS

SRC students had earlier chosen their picks for the **best costumes**. The winners were:

- | | |
|-----------------------|----------------|
| • Pt Pearce | Liarna Durkay |
| • R/1 Webb | Liam Andrews |
| • 1/2 Whittaker | Chelsea Clarke |
| • 3/4 Kotz | Cameron Tape |
| • 4/5 Westbrook/Wiley | Jamila Schulte |
| • 5/6 Nixon | Isis Schulte |
| • Teachers | Ms Kotz |

Prizes were also awarded for our special photograph competition. Four students won for their photographs taken at home and two for their creative choice of school photograph.

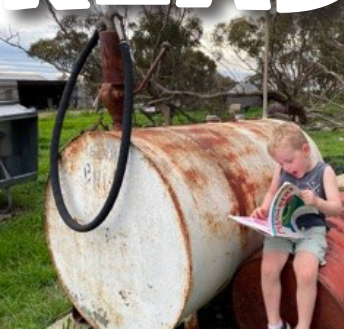

- Annabel Adams (H)
- Olivia Adams (H)
- Owen Walker (H)
- Spencer Liebelt (H)
- Katrina Bennett (S)
- Jethro Shipp (S)

Ms Kotz organised a 'Guess Who the Teacher Is' competition with Jethro, Olivia, Natayah and Tiarna as the overall winners.

CHARLOTTE NIXON
5/6 Teacher

5/6: Learning Together

The past few weeks have been busy and productive ones in the 5/6 class with Miss Kate Muir joining us for her final teaching practicum, exciting Science Week and Book Week activities as well as a footy clinic with the CYS Football Academy.

PRE-SERVICE TEACHER

For the final five weeks of this term we are lucky to have Miss Kate Muir from Uni SA teaching in our class on her final teaching practicum. Kate may have a familiar face – she has been at our school on a previous placement and is a Yorke Peninsula local.

The students have loved getting to know her and she has quickly built some fantastic relationships with the students. Kate will be teaching a variety of subjects including Maths,

English and PE. Kate has already shown great initiative and potential in our classroom.

SCIENCE WEEK

Science week saw us join forces with our Point Pearce buddies to construct boats from a range of materials. The class used materials including foil, straws, bottle caps and sticky tape to construct a boat that could hold some weight.

Our Pre-service teacher Kate has shown great initiative and potential in our classroom.

Once everyone had constructed their boat we had a competition to see which boat could hold the most weight. Isis, Izac, Shannon and Telicia won the competition – their boat held a whopping 600 MAB blocks before it dramatically sunk to the bottom of the ocean (container filled with water). Thanks to Kira, Elizabeth and Zoey for their great leadership.

BOOK WEEK

For Book Week we worked with Sonya to do a re-telling of the Dreaming Story 'Buthera's Rock'. We learnt some Nharangga language for significant people, places and things that are mentioned in the story. We created posters to depict these

people places and things and included the English name and the Nharangga name. At our book week celebration Sonya read the story and we held up our posters when they were mentioned in the story.

FOOTY CLINIC

In week 6 we were lucky to be invited to a clinic ran by the CYS Football Academy. Each group went to two different stations where they developed and practiced certain skills and then put them into practice in a small game. The class had a fantastic time being outside and active and enjoyed learning new skills. I was very impressed with the coaching and leadership skills displayed by our Footy Academy students.

JASON CLIFFORD
Sports Coordinator

Stage 2 Outdoor Ed Bushwalking

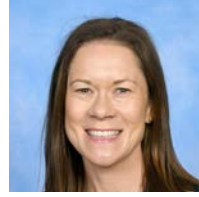

The Stage 2 O/Ed class joined with Ardrossan AS Stage 2 class to complete their bushwalking camp at Dhillba Guuranda (Innes National Park) in Week 5 of this term. We were greeted with some beautiful weather on all three days but some cold nights.

The walking was picturesque and there was plenty of wildlife around with the weather beginning to warm up. Our National Parks never disappoint.

Our National Parks
never disappoint.

Red Cross First Aid Course

**JAYNELLE
LE FEUVRE**
Ag Teacher

Linda McCabe from Red Cross provided four of our Senior ag students with the opportunity to attend a Farming First Aid course which was held at Maitland on Wednesday 18th August.

Georgina Chapman, Zeph Harris, Rhyan Luciani and Harrison Geater-Johnson enjoyed the off site learning day, obtained a certificate in Basic Emergency Life Support and had positive interactions with the local community.

With on-farm accidents an ongoing concern in Australia, the course is designed to provide participants with the knowledge and skills to assist themselves and others to cope with accidents and injury.

The course covers basic life support, breathing emergencies, fractures and bleeding care and other farm-related accidents.

To RSVP for a YP Farm First Aid course for your farming community, contact Linda YP Recovery Project officer on text 0409 783 628 or email lmccabe@redcross.org.au

Point Pearce R-2

Monarto Zoo

Overnight Camp

It was a big week for the Point Pearce R-2 students with their first ever overnight camp to Monarto Safari Park on August 24 & 25.

Day 1

The students were all very excited as we headed out from Point Pearce. There were some nerves about being away from home but they soon dissipated as we hit the road. First stop was Dublin for recess and a quick play, then onto the Safari Park.

On our arrival we had lunch and then hopped on the Monarto Bus for a tour of the park. Many squeals of delight as the students saw cheetahs, lions, bison, hyenas, rhinos, ostriches and more. It was fantastic to witness their awe and excitement at this new experience. We hopped off the bus for the giraffe talk and then it was time to meet our Educator John who took us to get up close and personal with the rhinos.

The baby rhino was particularly cute. We then got to explore a treasure trove of animal bones which was super fun as the kids got to hold them and examine them. We then headed to the bush camp.

The facilities were fantastic and the students got to spend some time playing in the grounds before a nature scavenger hunt and BBQ dinner. After dinner we were taken on a Night Walk through the bush and finished the evening with hot chocolates and marshmallows around the campfire.

After such a big day everyone was happy to climb into bed and all was quiet by 9.30pm much to the relief of all the teachers!

Day 2

Up at 6.00 am the students had breakfast and a play and then participated in some outdoor activities run by our overnight educator, which involved working together as a team to solve some tricky engineering problems.

We were collected at 9.00 am by John and were very lucky to be allowed into parts of the park in our van not generally open to the public. We travelled to the Bison Enclosure and were made honorary Zookeepers by John. Zookeepers need to look after the animals and their environment so the kids were put to work with shovels and rakes and scooped the Bison Poop into buckets to be used elsewhere in the park. Who know scooping poop could be so much fun!

Then it was off to see the chimpanzees which was a real treat, watching the babies climb and play. We then said goodbye to John and headed over to the Meerkats, had a quick recess and play before heading home.

A lunch stop at Dublin for hot chips and gravy finished off our camp and it was some very tired students who arrived back at Point Pearce. Seeing their parents and Nanas soon woke them up as they excitedly shared their experience with them.

I was so proud of all our students who displayed our school value of Respect to staff at the park and members of the public. I would like to say a heartfelt thankyou to Ms. Maddy, Ms. Linda, Ms. Jacki, Ms. Narelle and Aunty Sonya who worked tirelessly to make the experience as magical for our students as they possibly could. Their efforts and enthusiasm never wavered and they were instrumental in making the camp the huge success that it was.

Kath Magarery | Head of Point Pearce Campus

national science week 2021

CYS celebrated Science Week in style on Friday August 20, with an afternoon of science activities, challenges and experiments run by the Year 10 Science class.

Congratulations to all the students involved, who ran the experiments, engaged with the younger students, answered questions

and led discussions. A huge thank you also to Science teacher Hannah Gaisford for organising the afternoon, organising presenters and equipment and overseeing a valuable school community event.

↑ R/1 class: Being an archaeologist, looking for bones run by Sophie H and Annabel.

↑ 1/2 Class: Lava lamps run by Mattea, Tammie, Lily and Kennie

↑ 2/3 Class: Rockets and Volcanoes, run by Zeph, Harrison, Aidan and Jaydn

The Year 2/3 class worked with Harrison, Zeph, Aidan and Jaydn to make Pop-it Rockets and Volcanoes. In groups we had to decorate a film canister with coloured paper and come up with a name for each rocket. Then we had to make sure we were wearing safety glasses to protect our eyes from the launch. Zeph placed a special tablet inside and shook it up fast then placed it on the ground for take-off. We learnt that you had to keep on trying and never give up as experiments don't always go to plan.

Next we went to the sand pit in the nature play to make our volcanoes. Each group got a plastic bottle and Jaydn filled up the

bottle $\frac{3}{4}$ of the way with vinegar and Aidan placed the red food colouring into the bottle. To make it erupt Jaydn then placed baking powder into each bottle and stood back. We waited...and waited...and waited...and then... IT ERUPTED!!! Some of the volcanoes missed the stick (trees) but some became obliterated. We had so much fun that we can't wait to do science experiments when we are older.

By Mia Davies and Harry Moore

↑ 4/5 Class: Rocket Blast Balloons run by Lachlan, Xenos and Nick

↑ 5/6 Class: STEM Challenge: Build a boat, run by Zoey, Elizabeth and Kira

↑ 7/8A Class: Catapults run by Flynn, Georgina and Marshall

↑ 7/8B Class: Marble run, run by Mitchell, Annabelle and Rhyan

↑ 9 Class: Sustainable food, eating insects. Run by Tayla, Georgia and Sophie B.

Grand Finale - Coke and Mentos!

↑ The Year 10 students and the class groups pose after the Mentos & Coke challenge.

SOPHIE BAKER
Year 11 Student

Kadina Show-Led Steers

Our year 11 Ag Show Team finally got to show case their skills with the steers on Sunday the 22nd of August at the Kadina Show. A few people met Mrs L. at the school in the morning to do a last minute clean of the steers and load them into the trailer. We were prepared to have a long and exhausting day and the excitement of exhibiting our top quality steers that we have fed, cleaned, trained and loved for 17 weeks was enough to get us through.

THE GRAND PARADE

We all arrived at around 11am and unloaded the steers. We let them adjust to all the noise and different surroundings before cleaning them once again. We put the leather halters on and got ready for the Grand Parade. Kennie led Tank, our Shorthorn from Bayview Stud, and I led Ted, the Murray Grey from Ashvell Stud. Unfortunately Ted was a challenge to control in the parade but settled down by the second lap. I believe the preparation we had completed pre show with introducing various stimuli and building a bond allowed for this. We placed 4th overall as our competitors were very well presented.

Our steers were definitely the best presented on the day as they were in excellent condition.

VIRTUAL ONLINE SHOW

We took photos while the steers were looking smart and relaxed, as we are entering another competition. It is a virtual online show run by ATASA. We will hear back of those results in a weeks time.

We then took the steers back to their area to get ready for the show ring. Tammie, Georgia, Kennie and myself were arranged into 4 heats, each leading twice.

The heats were judged by Amy Nankivell. They were judged on the handlers showmanship skills rather than the steers. Our steers were definitely the best presented on the day as they were in excellent condition (Ted 527kg and Tank 488kg), had great fat cover, were cleaned and clipped.

RESULTS

I placed first in the first heat, along with Kennie in second. Tammie placed second in the third heat. I advanced through to the finals and placed second overall for the day. I had definitely put in the effort with coming in on weekends, researching online,

listening to previous students and teachers but it was a team effort from my classmates that also made it possible.

I was surprised how well behaved the steers were considering the completely new environment they were exposed to. Ted was a challenge as the day advanced as he was tired from all the leading and warm weather. However, a little honey on the tongue got him going again. We reloaded the steers back up and returned to school. We now have 2 weeks to settle and feed them well as they are entered in a third competition which is run by the Royal Adelaide Show and the Beef Cattle Association. It revolves around their carcass and their meat eating qualities.

We would like to say a huge thank you to Danny Le Feuvre for his help throughout the day in bringing his strength and calmness.

SARAH TOWNSEND
Ag Teacher

Kadina Show- Led Wether Goat Competition 2021

After two years of pouring rain at the Kadina Livestock event, this year the weather was kind to us and we experience a beautiful sunny day on August 22nd.

A group of thirteen students from my Year 7-9 Agriculture classes looked fantastic in their red and black show uniforms – and the four goats looked pretty good too!

Darren, Damo, Moe and Jimmy were proudly displayed in the Grand Parade, wearing their best halters

and bandanas. This was followed by a number of very competitive rounds of judging to select the student considered the overall best ‘goat handler’.

Congratulations to all the students involved. Thank you for spending your Sunday representing CYS and doing us proud. Thanks also to the many parents, staff and community members who visited us during the day to cheer on our team.

Thank you for spending your Sunday representing CYS and doing us proud.

ELC Ag Block Visit

On a cool, sunny Tuesday afternoon, the Year7/8B Agriculture class hosted a group of little visitors at the Ag Block.

Our guests were the children from the Early Learning Centre – over twenty children ranging in age from one to five! A few of the children came from farms with livestock, but for the majority, this was a brand new experience.

Some of our guests were very brave and had a go at patting the calves, touching the wool on the sheep and combing the goats. We were very careful to keep little fingers away from the mouths of the hungry pigs!!

A huge well-done to the 7/8B class for providing such a fun and informative experience for the ELC children.

Sarah Townsend | AG Teacher

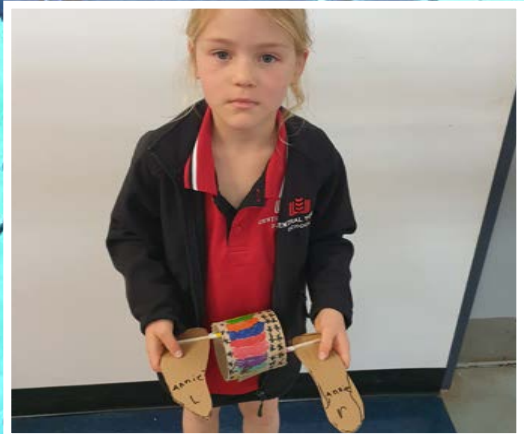

Spotlight on

The Year 1/2 Class have been investigating rolling toys this term. We started by making simple rolling vehicles then looked at how offsetting an axle on a cylinder would make foot-like movement

Students experimented with connecting straws, skewers and cardboard together. Once this worked smoothly they traced round their shoes on card, cut them out and attached them to the skewers.

1/2 Design & Tech

We found the 'rolling-feet' would move down slopes and with help, along the corridor floor.

Students completed their designs with decoration, extra 'handles', and even directions on how to use them.

This unit was great fun and the class developed confidence in adapting designs, using cutting tools and hot-glue guns, troubleshooting rolling issues and sharing resources with others.

Tim Tuck | Design & Technologies Teacher

Parenting and Family Support Program

Living with Young People

The teenage years bring a new stage in your child's development and many changes for the whole family....

Living with Young People is a FREE workshop that helps you as parents and carers build an understanding of your teenager and their healthy development.

Our workshops are full of helpful information with a choice of simple, practical strategies that each family can adapt for their own parenting situations.

Topics to support your parenting include:

- **About young people**
- **Adolescent development**
- **What parents can do**
- **What about conflict?**
- **A positive approach to guiding behaviour**

Our workshops are based on the latest parenting research and use information from **Parenting SA**

Light refreshments and creche provided (Bookings essential)

Where: Yorketown Area School
Stansbury & School Rds

When: Thursday 16th September

Time: 7.00pm – 9.30pm

To book: Contact Katie Hughes – SYP Community Hub - Phone: 885 21820

Bookings are essential

*** Please arrive 10 minutes early to register ***

**Delivered by the Department of Human Services
Parenting and Family Support Team**

Parenting and Family Support Program's

My Child and Me

Vinnies

Relief Assistance Is Available

If you or anyone you know from your community is in a vulnerable position due to challenging or changing circumstances in your lives, experiencing disadvantage or social exclusion, relief assistance is available from Maitland Conference of St Vincent de Paul Society (Vinnies).

HAND UP ASSISTANCE

“Hand up” assistance is provided through the provision of food hampers, hygiene products, pharmacy prescriptions, advocacy with utility suppliers for payment options, money management education, referral to other relevant agencies as well as clothing and household goods free of charge from the shop through the provision of Vinnies Gift Cards, or simply listening to an individual’s problems with compassion and empathy.

The level of assistance provided varies according to circumstances.

In offering assistance, each person is treated with dignity and respect in a non-judgemental manner and confidentiality is assured. An attempt is made to identify the cause of each person’s needs as

they are encouraged to take control of their own decisions and choices, restoring their hope and rebuilding their lives.

Assistance is available at:

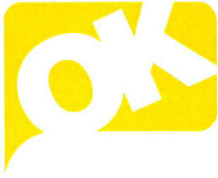

Maitland Vinnies Shop
21 Robert Street
Wednesdays between 10.30 am and 2.00 pm.

Please feel free to make an appointment by calling our Assistance Phone 0457 441 607.

School Holiday Program

Spend a weekend with your child in the Coorong National Park completely without technology.

Activities include:

- Kayaking alongside huge sand-dunes
- A bush-tucker walk
- A night-walk to see marine creatures
- Picnicking by the ocean

Learn:

- Why we are so drawn to technology
- Strategies to help get off the tech when you need to do other things
- Skills for becoming more involved in recreational and social activities
- How to re-enter the world with a plan to balance tech-life and real-life activities and relationships

Age group: 10-17 year olds and their parents/caregivers

Dates:

Saturday 9th to Sunday 10th October 2021

Location: Two-day trips are held in the Coorong National Park, launching from the end of Mundoo Channel Drive, Hindmarsh Island.

Cost: \$398 per person. This includes four group psychology sessions, all meals, camping equipment, national park fees and kayak hire (private health and NDIS may apply).

Please contact fiona@okpsychology.com.au or call 8264 2311 for more information.
