## Welcome to Term 4

Welcome back to Term 4; I hope that students were able to have a relaxing break and recharge.

This term is always full of celebration and the culmination of the hard work put in from the students and the support from the staff. This year has been great as we have seen teachers get outside of their comfort zone and look to improve their own teaching to make the curriculum the best that it can be for the children of our community.

A huge thankyou must go to our leadership team and teachers who have done such a great job supporting the primary staff to change how we are teaching literacy. Students are responding better than ever and the collegiality of the staff is being reflected by the way the staff are taking the learning and pushing/supporting each other to have our students achieve better results than ever.

It's really exciting watching our teachers getting passionate about what they teach. Watch this space as over the next few weeks teachers from all over the peninsula will be coming to our school to learn from our staff about the teaching of reading and phonological awareness.

### ON THE COVER

Students 100% attendance in Term 3 was celebrated at the End-of-Term SRC Assembly.

past, present and emerging."*

## **IMPROVEMENTS AROUND THE SCHOOL.**

As you may have noticed we have undertaken some improvements to our grounds and front office..

The front yard of the school is getting a makeover. The playground has gone, and we are currently installing irrigation, grass and a new front fence. A huge thankyou to the Apex Club who came and removed the old playground. The new playground has been installed next to the nature play area and looks amazing. Soft fall is down and we are just waiting on a new fence and the last check from Kids Safe so the students can start using it.

We have upgraded the school security with new electronic locks. This will make it easier for staff and community who use the premises to get around the school. We have laid a new concrete path on the side of the school as the old pavers were cracking and moving. The look of our school is important to us as it reflects the pride and respect we have in our school community. I have never seen a good looking school get bad results.

On behalf of the school I want to thank our Governing Council for the approval of finances to do this I think we can all agree that our school looks absolutely amazing at the moment, and the improvements add real pride into our student community.

## **WORLD TEACHERS DAY FRIDAY OCTOBER 29TH**

Every day in hundreds of classrooms across the State, teachers share their knowledge with more than 170,000 school students. When knowledge is shared, skills are gained and students' lives can be changed.

World Teachers Day is a day set aside every year for children, students and old scholars to say thank you to their teachers. World Teachers Day is on this Friday and I personally want to thank Central Yorke School teachers for their dedication and commitment to maintaining the highest standards in public education. This year has been especially great as we have bred a new culture of staff that are continually going above and beyond for the students to allow them to maximise the results they are capable of achieving.

## **SUMMER WEATHER**

With the warmer weather starting, more students are wearing short. During my school walks I can only see a few pairs of our 'Central Yorke' shorts being worn by students. I encourage families to start acquiring these shorts as they have been ratified to become part of the uniform from 2022. If you need a pair you can get them from student services.

I hope you have a great start to Term 4. For us we will be concentrating on getting our Year 12's prepared for their exams in the first few weeks, before we shift our attention to the rest of the school completing their programs and celebrating the end of the Year.

As always if you have anything you want to tell us about, please pop into the front office and see one of the friendly staff.

Until Next Time.

Grant Keleher.

## Presentation Night Award Donations

Dear Parents

Presentation Night will be held on Tuesday 7th December, starting at 7.00pm. Any changed arrangements due to COVID restrictions will be announced shortly.

If you wish to contribute to the Awards Scheme for 2020, please complete the form at the end of this letter and forward it with your donation to the school by Wednesday 1st December. It has been suggested that donations of \$50 would be adequate for a suitable award. This scheme has been successful in the past because of the support we have received from parents and the wider community.

Yours sincerely

Grant Keleher

PRINCIPAL

## Maitland Junior Tennis Club

Please register your interest to play Saturday morning junior tennis and hot shots (5-8 year olds) by calling:

Carly Jarrett on **0429 919 006**.

Season starts October 16.

Hot shots start October 21.

## Come and Try

Sessions will be offered early in Term 1 of next year, just in time for Sports Days! Little Athletics is a fun, social and active program for children aged from 3-4 years (Tiny Tots) to 5-17 years of age. (Age group is based on age at start of season). The emphasis is on fun, participation, technique and getting involved with your family in physical and healthy activity! Come and Try dates will be announced late next term.

Visit us on Facebook – CYP Little Athletics for updates New families are always welcome. Hope to see you in 2022!
