# Remembrance Day

**O**riginally called Armistice Day, this day commemorated the end of the hostilities for the Great War (World War I), the signing of the armistice, which occurred on 11 November 1918 - the 11th hour of the 11th day of the 11th month. Armistice Day was observed by the Allies as a way of remembering those who died, especially soldiers with 'no known grave'.

At Central Yorke School we observed one minute's silence just before 11.00 am to remember the sacrifice of those who died or otherwise suffered in Australia's cause in wars and war-like conflicts. Our School was also represented at a special service at the War Memorial.

The service was a reminder to us all of the sacrifices our community made in a time of war. The most

moving part of the service was watching students all bow their heads while listening to the last post for the school. I was so proud to watch one of our own show such a tribute to the fallen heroes.

Our SRC also represented the school and laid a wreath at the Town Memorial.

## **NAIDOC WEEK AT CENTRAL YORKE**

NAIDOC Week celebrates the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. The idea behind NAIDOC goes back to a letter written by William Cooper that was aimed at Aboriginal communities and at churches in 1937 as they were preparing for what would become the famous Day of Mourning in 1938. It not only sparked a very effective one-off protest. It also stimulated

↑ Stage 1 Surfing Camp | #15

a national observance that was at first championed by churches, and is now a national celebration.

On Tuesday we celebrated NAIDOC week with events at the school that included a Colour Run after our SAASTA Connect students won a competition. Our students did an amazing job of immersing themselves in culture and embracing our Aboriginal heritage. The photos show just how much fun was had by all. Thank you to Sonya Rankine, who worked tirelessly to organise this for our students.

### PUPIL FREE DAY

Next Monday the 16th of November will be our final Pupil free day for the year. On this day all Central Yorke Staff will be undertaking Professional Development. All staff will be looking at our 2020 school data, they will be working in teams analysing student achievement,

setting common agreements and improvement targets and reviewing and refining Intervention & Support Programs.

We put enormous value on these days as they provide us with an opportunity as a staff to develop our common understandings, and to support us in heading in a common direction in our aim to continuously improve. I sincerely thank the our parents and caregivers as I understand these days can be difficult for parents, with many having to make alternate arrangements for the care of their children for the day.

### TRANSITION PROGRAMS

It's been great to have formal transition for 2021 students from both Point Pearce and the Children's Centre. As Principal it fills me with joy to see the smiling faces in the yard and have the opportunity to read stories and be

↑ NAIDOC Week

Advance Notice:

This Term's Pupil Free Day is on

Parents are asked to drop off and pick up their students at the school gates and not enter the site.

a part of the learning journeys of our new students. Transition is an important part for our new students to make the step from one learning institution to the next. If you are a new parent of one of our transition students and have any questions that you need answered, feel free to contact one of the friendly front office staff who can direct your query to the person it needs to go to.

**MUSIC SHOWCASE**

This Wednesday was our annual music showcase. Due to COVID, we could only perform to parents. As always it was an amazing, professional display of the Arts Program at our school. The pieces were polished and the students represented our school with pride. A big thank you must go to Deb Schwartz and Tim Tuck for the many hours they put into our program and the results they achieve each and every year.

Lots coming up this term with Christmas on the Green, Graduations, Awards nights and much, much more. Like always if you have an issue please feel to make a time and come in for a chat.

Until next time.

# CYS - CHAPLAINCY SUPPORT

**T**he CYP Interchurch Council is again asking people to consider assistance to maintain the position of a Pastoral Care Worker at the Central Yorke School.

We are receiving some government funding towards this position for which we are very grateful, however we need to keep raising money to maintain the extra hours being funded by the community.

Kelly Whittaker is providing fantastic support to the School and Community and we believe it is vital to continue our support of this role.

You can contribute to the Chaplaincy program by donating some grain, or making a tax deductible donation which can be sent to the school.

Any grain donations can simply be delivered into warehouse or sold for cash at the silo with the NGR number.

**Maitland Area School  
Chaplaincy Support Group  
13673 124**

Tax deductible donations can be made through Schools Ministry Group who will accept donations earmarked for the Central Yorke School Chaplaincy and provide tax deductible receipts. Donations can be sent to the school and cheques should be made out to Schools Ministry Group. Please provide postal details for a receipt to be sent.

For any queries contact Ted Beare ( Chair)  
438 662 281, Margie Gaisford (Sec),

Paul Schulz (Tres) 0418 859 624

Thank you for your support.

# Term 4 Update

It has been a busy term for students completing their SACE. Submission of External Assessment pieces began late last term and was completed last week. Exams have been underway for the last fortnight with students sitting, Mathematical Methods, General Mathematics, Biology, Legal Studies, Chemistry and Psychology exams. This year for the first time we have delivered online E-Exams which have been hugely successful in modernising the way SACE is delivered.

While the focus has been on preparing students for academic success for the last few months it is also a time to reflect on and celebrate the experiences our

students enjoy whilst at CYS, this has included a range of sporting, social and academic options. As I read this year's school leavers' references it became clear that no two students have the same experience of our school and they can really personalise the approach and pathway they take through the SACE.

No doubt it is sad to see students leave, and every year we say goodbye to families that have been with us for a long time. However it is also great to celebrate student achievements and recognise their hard work and accomplishments while they were here. It is also exciting to look forward to next year and the new range of subjects we will be adding to our expanding SACE Curriculum. In particular the addition of Nutrition to our current Agriculture, Biology and Chemistry classes really rounds off our sciences, and the delivery of Design and Technology all the way to year 12 fits perfectly with a range of VET opportunities our students are engaged with.

FOOTBALL ACADEMY

# CYFA Henly High Visit

**O**n Monday the 26th of October, the Central Yorke Football Academy travelled to Adelaide for an overnight camp to play with Henley High School's Special Sport Football Academy.

Departing CYS at 4pm, we travelled directly to the Henley Surf Life Saving Club for dinner, followed by the West Beach

Caravan Park. On Tuesday, the team travelled to Henley High School to train and play some games with their academy team. The first session involved the boys, where they experienced 30 minutes of craft work with the HHS and CYFA coaches.

The boys worked on contested marking, ground balls and field kicking. Afterwards, the CYFA and

HHS students split into 4 even teams and played some games against each other. Henley then invited our CYFA and HHS Academy students to a shared morning tea. After recess, similar to the boys, the CYFA and HHS girls split into four teams and competed in a small tournament. The CYFA boys helped with umpiring and coaching during the games.

The CYFA students had a fantastic time and really enjoyed the chance to experience training and playing alongside elite football academy students from HHS. It was great to see the relationships created between the students from both schools. The CYFA would like to thank Henley High School for this opportunity and are looking forward to more experiences like this in the future.

**COORDINATOR**

# 6/7 Cricket

**O**n Monday the 2nd of November the 6/7 boys cricket team finally played the second game of their competition after it was postponed earlier in the year. This game was at Wallaroo against St. Mary MacKillop.

Bowling first CYS put on a good display in the field keeping St. Mary MacKillop to 81 runs. The run chase got off to a fairly good start but losing Sam D early did not help matters. After George and Barnaby got out to good catches after a 30 run partnership, Dylan and Brody held their own with the bat but unfortunately we were all out 9 runs short of their total.

I commend the boys on their team spirit and good sportsmanship throughout the day and a huge thankyou to Sally D for helping with the scoring.

# SAPSASA Golf

George Butler represented Yorke Peninsula at SAPSASA Golf, playing in the SA Primary Schools Golf State Final on Thursday 5th November at the West Beach Short Course. George scored 80 off the stick, which placed him 52nd out of 127 players. The following day, George participated in the SA Invitational and finished with 85 off the stick. It was a great experience, particularly putting on greens, something many of the country players were not used to doing!

# Outdoor Ed Stage 1 Surf Camp

In week 4 the Stage 1 Outdoor Ed class ventured down to Berry Bay for their surfing practical. This was held over three days in what could have been warmer conditions but pretty good winds to get good surf.

After the introduction and safety messages the students were keen to get into the water with many of them showing good techniques early on. It was pleasing to see that all of the students showed resilience and determination and were all surfing by the end of the second day.

Apart from some huge wipeouts which gave us some good entertainment, there were plenty of highlights to draw on. These included Xenos' gun show when he finally stood up, Annabel shredding the waves consistently, plenty of high fives while surfing waves together and the much anticipated tennis match between Sophie and Georgia versus Mr Clifford and Mr Channon. The girls ended up winning this match 6 – 2 but the rematch will be on.

Congratulations to all students on a great camp and representing yourselves and the school proudly.

**HEAD OF POINT PEARCE**

# DfE Kadina Visit

**O**n Thursday October 29th, 23 staff from the Kadina District Office visited CYS Point Pearce Campus and Point Pearce itself to learn more about both the history of the Point Pearce Community and Narungga Culture.

## WELCOME TO COUNTRY

The group was welcomed by Ron Newchurch onto Narungga country in the Cultural Centre, then taken on a tour of the school site by myself.

Children in the R-2 Class performed a song with movements about the significance of belonging to Country, and then shared some of their knowledge of Narungga Language.

## VISITING THE POINT

The group then went on a drive to the Point, where Ron Newchurch and Kay Lawrence shared their knowledge and experiences about growing up there. We stopped at the Cattle Yards, Dolly's Jetty and Butheras Rock to hear them speak. I read a version of the Butheras Rock Dreaming Story to the group.

There were a few brown snakes and lots of wombat holes to avoid whilst driving!

### **BBQ LUNCH**

Back at the school, the group shared a barbecue lunch with the children at the school, and then returned to the Cultural Centre for a 'Q and A' session.

I shared some resources with the group and gave them each a pack to take home. Once again Kay and Ron were able to share lots of relevant information about the history of Point Pearce.

Joann Weckert our District Director thanked all for both organising and attending on the day, and the important significance of days such as this.

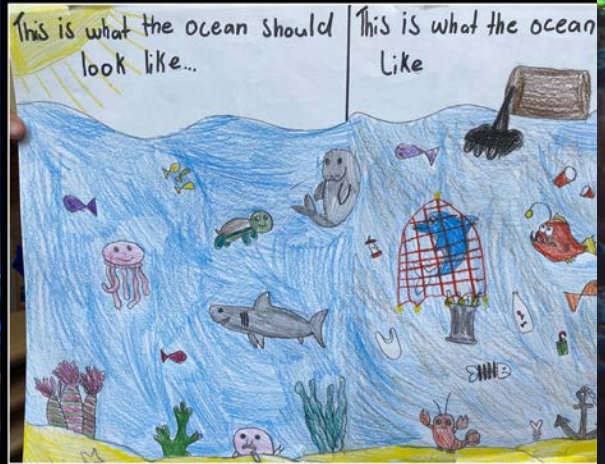

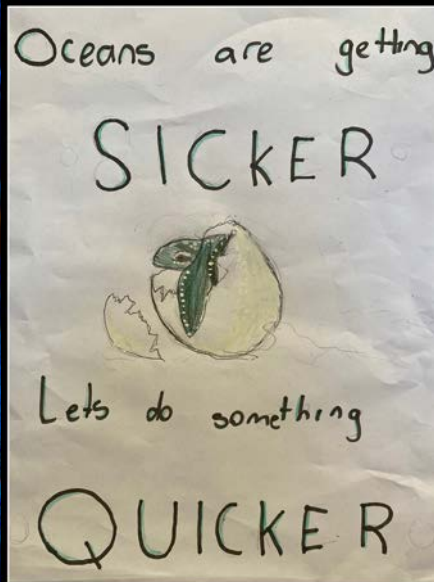

Out of the group, around one third of them had never visited our Community before. We thank them for showing an interest. This type of experience is so important in helping to broaden people's knowledge base, and is an important step towards greater understanding and true Reconciliation.

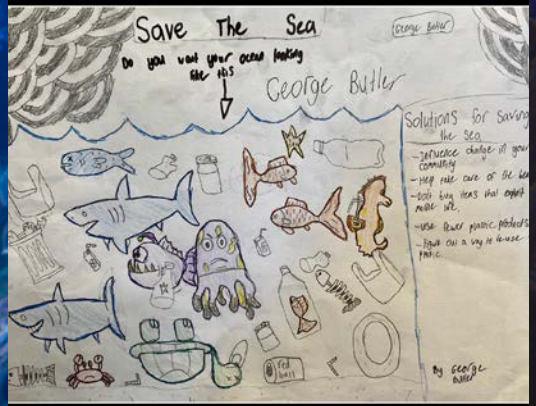

# Year 5/6 Ocean Posters

Year 5/6 students created posters, models and diorams in response to their reading of 'Louie and Snippy Save the Sea' by Grant Cowan. The book was shortlisted for the 'CBCA Award for New Illustrator'.

# school & community information.

## PARENTS & FRIENDS

Just a reminder that our last meeting for the year will be held at the Yorke Valley Hotel on Thursday 26th November at 12:30pm.

## FREE ONLINE TRAINING

We're running two online Digital Springboard sessions direct to the public this month:

**Simple ways to keep your money safe online** and **Tools and tips to keep your budget on track.**

It's free to register and open to everyone!

With Christmas just around the corner and money worries already front of mind for so many of us, improving the digital and financial capability of communities across Australia has never been so important.

## Central Yorke School

### CIRCULAR TO PARENTS: 2021 Materials & Services Charge

The Central Yorke School Governing Council proposes to ratify the 2021 Materials & Services Charge as the "Standard Sum" set by DFE as follows:

<b>Primary Students</b>	<b>\$246</b>
<b>Secondary Students</b>	<b>\$325</b>

As our school includes our Year 7 students as part of our Secondary sector of schooling the following is proposed:

<b>Primary R - 6</b>	<b>\$246</b>
<b>Secondary 7 – 12+</b>	<b>\$325</b>

A copy of the watermarked "Notice of Materials & Service Charge for 2021" is provided for your information.

An invitation is extended to for parents/caregivers and independent students to attend the next Governing Council meeting to be held on Monday 30 November 2020 at 6.30pm in the Central Yorke School Conference Room where the 2021 Material & Service Charge is to be ratified.

**Please Note:** Material & Services Charges are legally recoverable under Sec 126 of the Education and Children's Services Act 2019 and can be pursued through a Debt Collector.

Should you not be able to attend the meeting and you wish to express your view re the 2021 Material & Services Charge please forward a written letter prior to the meeting via post or email, to the following:

**Attention:**  
**Chairperson of Governing Council**
