CENTRAL YORKE SCHOOL | JUNCTION ROAD MAITLAND SA 5573

NOVEMBER 15 | 2018

Government of South Australia
Department for Education

Remembrance Day

Grant Keleher | Principal

Originally called Armistice Day, this day commemorated the end of the hostilities for the Great War (World War I), the signing of the armistice, which occurred on 11 November 1918 – the 11th hour of the 11th day of the 11th month. Armistice Day was observed by the Allies as a way of remembering those who died, especially soldiers with 'no known grave'. This year was celebrating 100 years since the signing of the armistice

At Central Yorke School we observed one minute's silence at 11.00 am to remember the sacrifice of those who died or otherwise suffered in Australia's cause in wars and war-like conflicts. Our School was also represented at a special service at the War Memorial.

Our ceremony, which was organised by Miss Bubner and Miss Smith and hosted by their year 10 History Class and the 4/5's, was also attended by representatives from the RSL and Vietnam Veterans Association.

The assembly was a very moving one with our students researching local nurses and veterans. The veterans included families here from Maitland and Point Pearce and was a reminder to us all the sacrifices our community made in times of war. The assembly also included virtual tours of the battle grounds, readings of poems and a very special last post performed by some of our students.

Pupil free day

Next Friday the 23rd of November will be our final Pupil free day for the year. On this day all Central Yorke Staff will be undertaking Training & Development. All staff will be looking at our 2018 school data, they will be working in teams analysing student achievement, setting common agreements and improvement targets and reviewing and refining Intervention & Support Programs.

We put enormous value on these days as they provide us with an opportunity as a staff to develop our common understandings, and to support us in

heading in a common direction in our aim to continuously improve. I sincerely thank the our parents and caregivers as I understand these days can be difficult for parents, with many having to make alternate arrangements for the care of their children for the day.

Congratulations to Dave Love

Congratulation to Dave Love who has won the role of Head of Point Pearce Campus for 2019. We are thrilled to keep Dave as part of the staff and we look forward to him building on the success and culture he has created.

Music Showcase

Last week was our annual music showcase. As always it was an amazing, professional display of the Arts Program at our school.

The pieces were polished and the students represented our school with pride. A big thank you must go to Deb Schwartz and Tim Tuck for the many hours they put into our program and the results they achieve each and every year.

Lots coming up this term with Christmas on the Green, Graduations, Awards nights and much, much more. Like always if you have an issue please feel free to pop in and have a chat.

Until next time.

SRC Colour Run

The SRC brought all the fun and excitement of the Colour Run to Central Yorke School on Friday 9th of November.

Starting at 2pm and accompanied by uplifting music, participants arrived looking fresh and relaxed in their white tops.

Students were able to run, walk, dance or stroll their way through our Colour Run course at CYS school oval, with many doing all three!

Splash stations at intervals added to the fun and made the colours even more vibrant.

We had students, staff and community members join in on the colourful event with many participants completing multiple laps.

I would like to thank some of our dedicated parents, Wendy Short and Sarah Illman, for coming in to school and helping create the paint.

We were able to celebrate a successful year and promote social community links across the school. The weather was perfect and there were many smiling faces running around the course.

Shayla Vince | Middle School Coordinator

Photo Story:

Our Year 12 Biology students have successfully completed their Stage 2 course and finished with their final exam on November 5th. Meanwhile our Year 11 students have started their final topic 'Multicellular Organisms' and are focusing on the respiratory and circulatory systems.

Jarrorod and Connor tested their lung capacity in a recent practical which was performed outside to avoid a mess!

They also roped in our IT guru Angas and several students to complete the task and Miss Townsend also had a go.

Senior Biology

Their next activity involved designing an experiment to determine the impact of exercise on heart rate and to answer the question 'Does what a person is wearing during exercise effect their heartrate?'

Again the boys enlisted the help of their classmates to test their theories and used the school heart rate monitors linked up to ipads to collect data. Aside

from a technical hitch (in which Dekan's heartrate monitor continued to record his pulse, even when he had taken it off and put it back in the box!), everything ran smoothly and the boys achieved great success with their investigations.

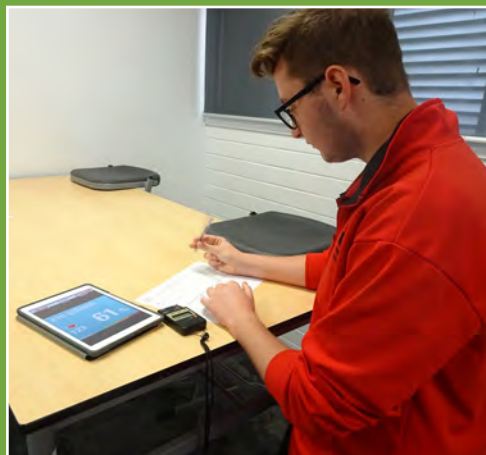

Photo Story:

On Tuesday the 13th of November the JP went for a walk down the street to pay respect to the soldiers at the War Memorial. We made our own wreaths to lay and had one minute of silence.

As part of our Humanities and Social Sciences Unit we have been looking at different features of maps. We continued walking down the main street looking at signs and discussing their meaning.

Connect to University Program

Scott Moore | Pathways Coordinator

In Week 10 of last term 10 students were lucky enough to be selected to take part in the *Connect to University* program.

Connect to University is designed to give students a taste of life as a university student and expose them to the large variety of courses they can undertake at university.

Students had the opportunity to think about what you want to do after school and hopefully were encouraged to consider going on to further education, particularly University.

Over three days our group toured the four campuses and divisions of the university over the.

The campuses and divisions represented are: Mawson Lakes Campus; Division of Information Technology, Engineering and the Environment, City West Campus; Business School and the Division of Education, Arts and Social Sciences, City East Campus; Division of Health Sciences and finally Magill Campus; Division of Education, Arts and Social Sciences.

Students enjoyed hands on activities at each campus and at night they were responsible for organising meals and activities.

There was a lot of laughter and memories being shared on Saturday November 10th when we celebrated 50 Years of Schooling at Junction Road.

Memorabilia

Five classrooms were used to display memorabilia from each of the five decades and these were keenly perused and photographed by the 80 people who attended on the day.

The majority of attendees travelled for the day and were in awe of the changes to classroom layouts and the fabulous facilities that have been developed on the site over the years.

Many comments were made about the condition of our grounds and they certainly were a picture this sunny day.

School Tours

Tours were conducted and a light lunch available in the Library along with the opening of a time capsule from 2003. In the conference room a data show was run with photos from across the half century we were commemorating.

Assembly

The day concluded with a re-creation of the official opening assembly in 1968. Guests were delighted to hear the voices of the principal, Mr Charlesworth, chair of the governing council, Mr Matthews and honoured guest Minister for Education MP Joyce Steele.

The original recording was found among the archives and transcribed for the occasion by CYS coordinator Tim Tuck.

This recording is a true treasure and we thank Tim for his skill in allowing this to come to life.

Conducted by Mrs Debbie Schwartz, the choir performed and we appreciate the students giving their time on a Saturday to contribute so beautifully to the assembly.

Cookbook

A commemorative cookbook to mark the occasion is being produced and we encourage our present day families to contribute to this. Thank you to governing council member Emma Mann for the lead role she has taken in this initiative. Details are included in this newsletter.

In ten years' time we will commemorate 150 years of public education in Maitland – another event sure to bring smiles to our faces!

Weetulta Strawberry Fete

Deb Schwartz | Choir Conductor

On Saturday November 3rd twenty eight students from CYS and AAS choir programs packed the Weetulta Church hall stage for a performance at the annual Weetulta Strawberry fete. They entertained a large crowd with Pure Imagination from Charlie and the Chocolate factory, Guy Sebastian's 'Dare to be Square' and a beautiful ballad called Glorious.

Many Thanks to our CYS performers and their parents – Zeph Harris, Taylor Davies, Kira Davies, Jordy Radford, Matilda Palin, Isabel Hollams, Bethany Hollams, Alice Burrows, Molly Rowe, Ashlee Radford, Maggie Moore, Summer Davies, Sophie Davies, Kiala Andrews and Lucy Allen.

POINT PEARCE CAMPUS NEWS

As part of the transition program for year 2 students moving into year 3 next year, Miss Emma's year 1-2 class recently visited their year 2 friends at the Point Pearce Campus.

This provided all year 2 students at CYS with opportunities to socialise, play games, work together and enjoy a sausage sizzle. The idea is to familiarise all year 2s with each other, and let the kids from the Maitland campus experience year 2 life at the Point Pearce campus.

All of the year 2 children enjoyed their time together. It was a worthwhile experience for all, and we look forward to a lot more interaction between the CYS Maitland and Point Pearce campuses in the future.

CYS CRICKET news

7-10 Girls Cricket

Jason Clifford | Girls' Cricket Coach

On Tuesday November 13, the Year 7 – 10 girls received the opportunity to play team cricket here at CYS against other local schools in a SACA sponsored event.

With an enthusiastic group of middle school students we managed to put together two teams for the day and played against Maitland Lutheran, Minlaton and Yorketown.

After training hard for a couple of weeks previously the girls showed great bowling and fielding form and we saw many sixes and fours hit throughout the day.

Thanks to SACA for their organisation of the day and visits from the Strikers mascot and Tegan McPharlin (WBBL Adelaide Striker & SA Scorpion). Well done all girls and we are already looking forward to next year.

SAPSASA Cricket Semi Final

Andrew Maidment | SAPSASA Knockout Cricket Coach

Our SAPSASA knockout cricket team travelled to Adelaide on the 1/11/18 to play in the semi-final of the tournament against Sunrise Christian School-Fullarton Campus.

We agreed to play a twenty over match before CYS won the toss and chose to bowl first.

Jett Hasting took a very good catch from the bowling of Ollie Linke and Harrison Geater-Johnson took a wicket to break up a big partnership from Sunrise.

George Butler took the 4th wicket of the innings through another good catch by Flynn Briggs. The innings ended after 20 overs with Sunrise posting a score of 4/99.

The CYS batting innings started slowly as Harrison Geater-Johnson was caught early for 4 runs.

Ollie Linke batted well for 25 runs before being caught.

Tommy Linke built a partnership with Ollie before being run out for 12. Jett Hasting contributed and batted to the end with an excellent 16 not out with Jackson Davies hitting a crucial boundary as well in his 6 not out.

On the 3rd to last ball Jett hit a four to guide CYS past Sunrise's total and take us to the grand final against Uraidla Primary School, at Trinity College on Thursday the 29/11/18.

Once again thank you to Matt Sansbury, Sally Davey and Kate Butler for helping to score and look after the students while I umpired, it is greatly appreciated and thank you to the parents who also attended in support.

2018 SHOWCASE CONCERT

2019 Notice of Materials & Services Charge

The "standard sum" as determined by the Department for Education for 2019 is \$241 for Primary students and \$318 for Secondary students for the full school year. The "watermarked" copies by DfE for Central Yorke School are shown below.

Parents are invited to attend the Governing School Council meeting on Tuesday, 4 December at 6.30pm in the Central Yorke School Conference room at which the proposed charges are to be approved.

In lieu of attendance at the Governing Council meeting parents can express their views in writing to the Chairperson, which will be tabled at the meeting as correspondence.

Should the school be contacted directly by a parent in relation to the proposed Material & Services Charge prior to the Governing Council, the parents will be contacted to determine:-

- whether the parent is requesting correspondence be tabled and minuted at the meeting

or

- if the parent is only requesting information for their own personal interest and that a response can be provided after the meeting.

Storm Boy Setting

SNI PP ETS

STORM BOY

- ↑ The Year 6 class have started reading the book Storm Boy and have begun by 'judging the book by its cover'. The class made predictions about what the book might be about and created their own pictures of what the setting.

REMEMBRANCE ASSEMBLY

- ↑ /8 Townsend have been inventing their own games in PE with Mrs Davies. Some excellent group work and creative thinking has produced games that the whole class has enjoyed playing. This is one of the class's favourites, it is a mixture of soccer and Aussie Rules designed by Henry, Rhyan and Aiden.

Home ec recipes

↑ The Year 9/10's have started their Christmas cooking classes with these fantastic offerings - yum!

Song Writing

↑ The Year 9/10 Performing Arts Class are arranging Christmas Songs using a combination of high tech and traditional instrumentation. Naivey is making good use of her iPads to multitrack a ukulele part onto her song.

Dear Parents

Presentation Night will be held on Tuesday 11th December, starting at 7.00pm. Students will be dismissed at 2pm on that day to facilitate setting up.

If you wish to contribute to the Awards Scheme for 2018, please complete the form at the end of this letter and forward it with your donation to the school by Wednesday 5th December. It has been suggested that donations of \$50 would be adequate for a suitable award. This scheme has been successful in the past because of the support we have received from parents and the wider community.

Yours sincerely
