On the cover

Our September cover features senior student Harrison Geater-Johnson and his partner Eika Watson at the 2022 YP Schools Year 11/12 School Formal. The formal was held at the Maitland Football Club and included students from DfE schools in the Yorke Peninsula Alliance. You can read more about the Formal on pages 4-5 and 10-13.

Dates not to miss

- **Working Bee | Friday October 21**
Governing Council Working Bee developing a kitchen area in the primary garden, creating garden beds and painting.
- **Year 12 Breakfast | Friday October 28**
The official farewell to our Year 12 class.
- **Kindy Graduation | Tuesday, November 8**
A special assembly with our ELC children graduating to the 'big school'.
- ← **Showcase Concert | Wednesday, November 9**
Featuring the YP Concert Band, Festival Choir and solo performers.

SHARON ILLINGWORTH PRINCIPAL

From the Principal

With the change of seasons, Spring has brought the warmer weather and a refreshed energy into the school. It is hard to believe that we are already three-quarters through the 2022 school year. We have had a full term with many events which have complemented our learning programs including visits from The Open Music Academy and the Adelaide University Open Music Academy Band, the Festival of Music Choir 2022 Adelaide Performance, Royal Adelaide Show and the Life Ed visit.

Yorke Peninsula Formal 'Under the Stars'

On Friday 23 September Central Yorke School hosted the first Yorke Peninsula Senior School Formal. Year 11 and 12 students came from across the Department for Education Yorke Peninsula Alliance (Central Yorke School, Ardrossan Area School, Yorketown Area School, Minlaton

Under the Stars

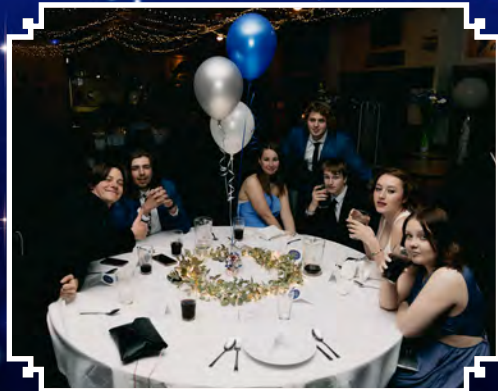

District School, Moonta Area School). Principals from each site committed to providing our Senior Students the opportunity to dress up and celebrate together.

I would like to thank the Cougars Football Club for providing the venue, Golden Roast for the food catering, photographer Dylan Gaston and Top 40 DJ for the music. I would also like to thank the following staff for their contribution: Hannah Gaisford, Bella Congdon, Kelly Whittaker, Luke Trenorden, Tim Tuck, Jason Clifford, Andrea van der Westhuizen, and a special thank you to our P&F for providing the hospitality service, set up and pack up: Chloe Clarke (President) Jenny Moloney, Karen Crawford, Michelle Geater-Johnson, Kerry Baker and Kirsty Iles-Bowering. We are very fortunate to have such an active and supportive community.

The Yorke Peninsula Senior School Formal is just one example of how our Department for Education schools are working together to provide our young people opportunities to network, learn and thrive. We are already underway in planning other events together such as camps, SACE subjects, VET and much more.

As public schools we provide high quality education and together we will continue to provide our rural young people with opportunities which are competitive and enriching. Thank you to all the Principals for your support: Beth Hector (Moonta Area School), Michael Beelitz (Yorke town Area School), Margaret Roads/Cherie Beech (Ardrossan Area School) and Ali Bogle (Minlaton District School).

More photos on page ___

Term 3 Student Success

Term 3 has seen students achieve academic, sporting, creative and scientific success both at school and in the wider community.

SUMMER DAVIES | BEST & FAIREST

Summer Davies won the Netball E Grade League 'best and fairest' trophy.

WILLOUGHBY KLOPP | GOLF CHAMPION

Willoughby Klopp won the A Grade Men's golf at Maitland for 2022.

TAYLA COLES | GRAND FINAL GOAL SCORER

Tayla Coles helped win her Junior SANFL Grand Final, kicking three of her team's goals.

STEM ACADEMY MEMBER

Shanayah Karpary has been selected to join the SA Young Indigenous Women's STEM Academy. This program, run by CSIRO, aims to support young aspiring Aboriginal girls who have an interest in science. Shanayah had her first Zoom meeting last week with other students who participate in the Academy from across Australia. In October, she will join the SA cohort at a STEM camp at Adelaide Botanical High School.

Academic Reports

Teachers have completed writing Term 3 reports and they were sent home this week. We encourage parents/caregivers to take the time to read through the teacher comments with their child to celebrate their achievement and growth.

Students in year 3, 5, 7 and 9 will additionally receive their NAPLAN results with their school report. We have seen growth in our NAPLAN results over the last couple of years and this year is no exception. Nearly all students achieved National Minimum Standard with a number of students achieving and or retaining the higher bands for their year level. This reflects the commitment of our staff in implementing high impact teaching and learning strategies to support all children to achieve their personal best. Well done to both students and staff.

We welcome parents and caregivers to contact their child's homegroup teacher or a member of the leadership team if you need clarification or support.

CAITLYN TAPE | SOLOIST

Caitlyn Tape was selected as a soloist for the first Festival of Music Concert at the Festival Theatre in Adelaide.

SAPSASA REPRESENTATIVES

Sam Cross (100m, Long Jump, Discus and 100m relay), Caitlyn Tape (100m, Shot Put and 100m relay), Michael Stevens (Shot Put) and Lily Davies (100m and 100m relay) were selected for the SYP SAPSASA Athletics team.

NAP NATIONAL ASSESSMENT PROGRAM

The National Assessment Plan website (nap.edu.au)

has additional information on the NAPLAN including demonstration questions, information brochure and a selection of FAQs. Scan the QR code or visit

nap.edu.au/naplan/for-parents-carers

Sun Smart play

Just a reminder that students are required to wear a hat during outside play time in Term 4. If your child has misplaced their hat, we have plenty of stock in the uniform shop that can be purchased.

Canteen Specials

The canteen has been working with students and will be introducing a home cooked special every Wednesday. This will add to the great range of food items, and I am sure the students will love it. See the Qkr! App for details.

Building Community Connections

Unfortunately, COVID-19 prevented a number of activities which we enjoyed and connected us as a community. It is with great pleasure that we are now slowly starting to re-invite our families back into the school. For Term 4, this will include:

WORKING BEE

Working Bee: Friday October 21 (Week 1, Term 4) the Governing Council invites parents and friends to join us on a Working Bee. We will be developing a kitchen area in the primary garden, developing garden beds and painting. If you would like to volunteer to join us we would appreciate your support.

READING SUPPORT

Reading support at school: in Term 4 we will be inviting parents/caregivers back into the school for reading time. We value the importance of connecting with parents and working together to support our children and young people.

If you would like to attend the Working Bee or volunteer reading, please register with Deb Briggs via phone (8832 2613) or email Debra.Briggs6@schools.sa.edu.au.

As a school community we enjoy celebrating our student's success both at school and in the community.

I encourage families to regularly visit our school website at centrallyorkeschool.sa.edu.au or our Facebook page at www.facebook.com/CentralYorkeSchool to see examples of our wonderful students' learning and achievement.

Kind regards,
Sharon Illingworth

YORKE PENINSULA SENIOR SCHOOL FORMAL

Under the Stars

YORKE PENINSULA SENIOR SCHOOL FORMAL

LUKE TRENORDEN **SECONDARY COORDINATOR**

10/11 Course Counselling

With just under four weeks of regular lessons left for our Year 12 students, the 'pointy end' of the year is upon us. Many students are feeling the strain of impending final deadlines and the thought of exams. As parents, your support of your child's education is vital to their success as they finish out this year. Please encourage your child to communicate with their teachers and attend every lesson so that they gain the full value of their best resource for revision and final assignments – their teachers.

Term 3 Holiday Study:

Please encourage your child to spend time during these holidays on completing final pieces of work. Some teachers will be holding revision sessions during the holidays. Please encourage students to attend these. If students are looking for some extra revision, the Adelaide Tuition Centre and Adelaide Uni Year 12 Tuition offer Year 12 Revision courses during the upcoming holidays.

Holiday Week	Mon	Tue	Wed	Thu	Fri
1	3	4	5 Stage 2 General Maths (9am-12pm) Stage 2 PE / CYFA (12.30pm-3pm)	6	7 Stage 2 English (9am-11am) Research Project (11.30am-1pm)
2	10	11 Stage 2 PE / CYFA (9.30-11.30am) Stage 2 Food and Hospitality (12pm-2pm)	12 Stage 2 Visual Art (9am-12pm)	13 Stage 2 Nutrition & Biology (9am-12pm) Stage 2 Outdoor Education (10am-2pm)	14

Important Dates:

There are a few key events to come this year for our Year 12 students. The final day of official classes for Year 12 students is **Friday October 28** (Week 2), with the Stage 2 Exams beginning on **Monday, November 7**.

Week 3 next term will be available to students to attend school for exam revision/ questions (if required) or for students who are required to complete work. If students are on site, they will be required to wear school uniform. More information regarding the 'final day' (Friday, Week 2) will be communicated early next term. The Year 12 students will receive their last school report at the end of this term, with their final report coming from the SACE Board once all the exams and final results are calculated.

Graduation Dinner

The Year 12 Graduation Dinner is planned for **Thursday November 17** at the Wallaroo Ale House – more information about Graduation will be sent out as we get closer. Students will not be able to attend the Graduation unless they have signed and returned a 'School Leavers Form' by Friday 29th October. School Leavers Forms will be handed out at the beginning of next term for students to start preparing their departure from school.

SATAC Application Submission

Another key date that is approaching is the SATAC application submission date of **September 30**, for the \$50 fee – after this date the application fee rises to \$190. As students are aware, Flinders University have announced that they will once again be making offers based on Year 11 results, similar to Adelaide University. If your child

is interested in using their Year 11 results to apply to Flinders, please encourage them to check out this website:

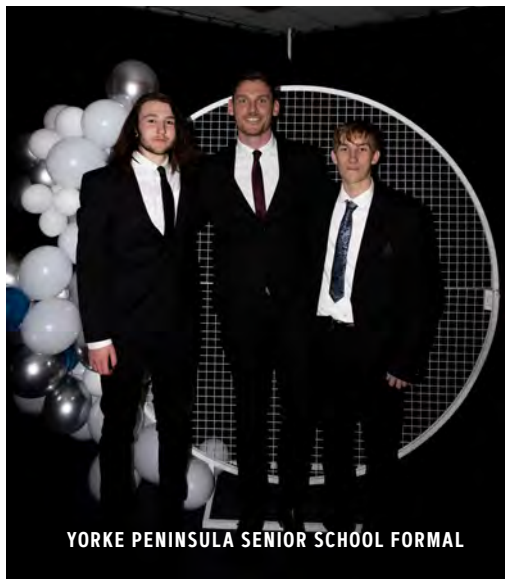

**[flinders.edu.au/study/pathways/
year-12-entry/
year-11-grades-admission-pathway](https://flinders.edu.au/study/pathways/year-12-entry/year-11-grades-admission-pathway)**

Applications need to be made through the link before September 30. If your child requires any assistance to complete either the Flinders Year 11 Grades Pathway or their SATAC Application, please encourage them to speak to their home group teachers or come and see me and I will talk them through completing these.

Luke Trenorden

SECONDARY COORDINATOR

luke.trenorden714@schools.sa.edu.au

YORKE PENINSULA SENIOR SCHOOL FORMAL

SAASTA Aboriginal Careers Exploration Week

In Week 5 of this term, the Year 10 SAASTA students travelled to Adelaide for the week to involve themselves in the ACE program – Aboriginal Careers Exploration. Prior to this event, the students were required to complete a career choices survey that would identify areas of interest. Following from their responses, they were placed in groups with other students having the same industry interest area. Choices saw our SAASTA students involved in Health Support, Hair and Beauty, Screen/Media/Gaming/Cyber and Trades.

LIVING IN ADELAIDE

Students were accommodated at Regency International House, where enjoyable meals were provided as well as single room sleeping arrangements, within apartments of 4 rooms. This allowed our students to

socialize with other SAASTA students from across South Australian regional academies.

On arrival in Adelaide on Monday, students ventured to Lights Community and Sports Centre, where they were involved in an Aboriginal Excellence Panel – a group of successful Aboriginal business people spoke to them about their business journey and answered questions previously created by the students. During the day, there were opportunities to undertake basket weaving and modern ceramic art.

EXPLORING CAREERS

Tuesday to Friday were spent visiting various centres that offered information and training in the student's associated industry area. The Health Support people experienced physiotherapy, midwifery,

First Aid training, nursing, aged care – all a mixture of theory and practical skills. In the hair and beauty group, the students spent time in a salon where they saw hairdressing techniques, beauty treatments and nails, as well as some fashion designing. In Screen/Media, the students visited the facilities at Flinders University, the Space Discover Centre, learnt about Cyber Security and produced their own mini films. The Trades group had a practical approach to a variety of trades and were given building/construction challenges in electrical wiring, plumbing, refrigeration, carpentry, plastering, paving and brick work.

EVENINGS OFF

Evenings were a time to relax and the students competed in a game of 10 pin bowling, were challenged in Laser Tag and tested their skills at Mini golf.

CONGRATULATIONS

Congratulations to Brondan Burgess and Kalvyn Karpany who were selected as speakers for recording their thoughts on the week's activities. Their interviews will appear on the DECD/Workabout websites. The Workabout Centre is the main supporter of Career Exploration for the SAASTA students.

BACK HOME

Following an enjoyable buffet luncheon, the students said farewell to old and new friends and headed home tired and exhausted but with plenty of career pathway ideas for their future consideration

RAELENE STUTLEY | SAASTA COORDINATOR

7-12 News

SENIOR ENGLISH EXCURSIONS

Secondary students travelled to Kadina to view the Bell Shakespeare performance of 'Shakespeare Is Dead'. The play is designed to challenge negative, preconceived notions about the world's most famous playwright and was enjoyed by our students..

7/8 SCIENCE | RUBE GOLDBERG MACHINES

The Year 7/8 classes investigated 'Rube Goldberg' machines. Rube Goldberg was famous for designing really complicated machines to complete really simple tasks and the students developed their knowledge

of simple machines during its construction. The machine shown combines multiple ramps, a ball bearing and a pendulum to knock a cup over.

OPEN MUSIC ACADEMY VISIT

The OMA ran a side by side rehearsal with our Concert Band after their workshop on Wednesday, September 21. Guest conductor Ben, from the Elder Conservatorium, ran the rehearsal with other university musicians mentoring our students. The OMA Big Band then performed several jazz standards (a fantastic performance) and finished a very exciting day with a workshop for our vocal students.

2022 Aboriginal Learners STEM Congress

On August 18, two of our CYS students travelled to Adelaide for the 2022 Aboriginal Learners STEM Congress at the Adelaide Convention Centre. The congress aims to engage Aboriginal students with science, technology, engineering and math learning and industry experiences to inspire and take on challenging subjects at school.

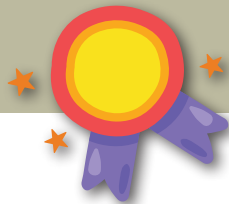

CYS students gathered amongst 900 students from across the state to listen to nine Indigenous keynote speakers who specialised in STEM fields and had travelled from across Australia to be at the Congress.

We participated in workshops to use traditional materials including thermoplastic resin beaten out from porcupine grass. We toured around UniSA's space centre which simulates the climate conditions of the moon to design and test space rovers.

Our CYS students loved hearing about their Indigenous culture and the role it has played over 60,000 years in the STEM field.

WILL BAKER | STEM TEACHER

CYS Adelaide Royal Show Success

Central Yorke School was well represented in the Led Steer and Led Goat competitions again at this year's Royal Adelaide Show with solid wins in a range of contested categories.

PREPPING FOR THE SHOW

For many months leading up to the event students in Years 8-12, under the guidance of the Agriculture teachers fed, washed and trained their livestock in order to get them into peak condition for the big competition.

STEER COMPETITION

Our 2022 steer team comprised:

- Mitchell Brooks
- Annabel smart
- Sophie Baker
- Zoey Schulte
- Harrison Geater-Johnson
- Georgina Chapman
- Liz Rice
- Billy Everleigh

- Marshall Smith
- Angus Dunkley

Highlights of the steer competition for CYS included Mitchell Brook who reached the Handlers final and Sophie Baker who came fifth in the Experienced Handlers class.

Our steer 'Mac' was 4th in the Heavy domestic school carcass, was the highest scoring Murray Grey school steer on hoof and hook and the 3rd highest score of Murray Grey carcasses

Our steer 'Bronny' came 5th in the Light Domestic school carcass and 5th in overall Shorthorn carcasses.

Thank you to Amy Nankivell at Ashvell Murray Grey Stud at Arthurton and to Chris Thompson at Bayview Shorthorn Stud at Yorketown for supplying our winning steers.

GOAT COMPETITION

Our 2022 goat team comprised:

- Pearl Crawford & Annabel Geater Johnson with 'Peri'
- Bella Chapman with 'Yuri'
- Brody Davies & Josh Rawlings with 'Andrew'
- Barnaby Wheare & Ben Allen with 'Tate'
- Sophie Davies with 'Darryl'

Highlights of the goat competition included Bella Chapman and 'Yuri' who came 6th in their class and Annabel Geater-Johnson and Peri who came 5th in the Handlers final out of 192 students.

Thanks to Andrew Smith at Port Broughton for supplying our goats.

THANK YOU

Thank you to all the staff and families involved, the primary students who walked in the Grand Parade with us and to everyone in the school community who visited the show to support us.

SARAH TOWNSEND | YEARS 7-9 AG TEACHER

JAYNELLE LE FEUVRE | YEAR 10-12 AG TEACHER

Peri & Yuri's BIG ADVENTURE

As told by Peri and Yuri to their owners Pearl, Annabel & Bella...

YURI

On Tuesday afternoon, me, Peri, Andrew, Tate and Darryl were loaded into a trailer and travelled all the way to this place called "The Royal Adelaide Show". We were unloaded into a shed with lots of really annoying goats who we didn't like very much. We did get to sleep in these comfy little pens though and

our brother Andrew protected us by head-butting all the other goats- especially those next door from Kadina Memorial School and Saint Marks because they were eating our hay!

Peri

On Wednesday morning our owners arrived early and we were very excited to see them. We had to go on these things called scales to show how big we were.

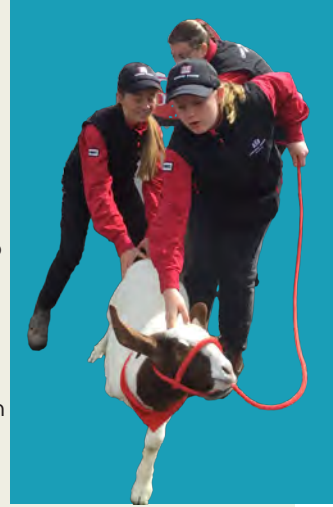

I tell you, Yuri is a big chonker! Our owners showed us around the showgrounds to make us feel more comfortable and then it was time to get pretty.

YURI

We started by having a spot wash to get all the dirt off of us. Peri did not want to get blow-dried so he decided to make my owners have a hard time by jumping over this huge wall and running away.

Peri

After they caught me, Yuri and I put on our nice show uniforms and got ready to walk in the big parade. More people that looked like our owners joined us in the parade, they were very nice. We had to stand around and wait for the parade to start for a very long time but when we got out onto the oval it was so worth it, we got to see many other animals including cows, horses and even pigs! After we did a couple laps of the oval, we got to go back to our pen which was very good because we were all soooooo tired!

yuri

Not long after our owners left we decided it was time to throw a party with the other goats! When our owners arrived next morning, they found out about our big party and put us back in our pens. We had to have another spot wash and then got ready for judging.

Peri

Our Brother Andrew went first in the judging but unfortunately, he didn't win any ribbons. I went next with Tate. I decided to be a very naughty boy and threw a tantrum but because my owner stayed calm and in control, we got into the Handler final. Tate walked very well but didn't win any ribbons.

yuri

Next up was Darryl and he walked like a good little goat but he also didn't get any ribbons. I was last and I walked extremely well and even won a 6th place ribbon for my weight class, I'm very proud of myself.

Peri

Later on in the day it was my turn to go back in the judging ring for the handler final with my owner Annabel. We had to do lots of standing around and walking and my owner got a 5th place ribbon so I'm guessing I did pretty well. After

this I had to get some pictures and the I returned to my brothers. After the show we said goodbye to the owners and went back to the farm to see all our other brothers and sisters.

By Peri & Yuri.

PS: Thank you to the tall owner Miss Townsend, the middle-sized owner Kira and the little owners Alice, Isabelle, Caitlyn & Lily for helping us in the grand parade.

Food & Hospitality | Masterclass

On Friday August 26 the year 10-12 Food and Hospitality students were treated to a Masterclass with Daniel Newchurch from

Newchurch Horticulture. The focus was on native ingredients and the students were very intrigued and excited to try some new foods.

muffins made with
native herbs & spices
Lemon myrtle
wattleseed
peppercorn

Newchurch Horticulture is a family run farm out of Port Victoria who specialise in growing and selling native foods, in particular herbs and spices. They have also ventured out into some catering jobs at local events. We were impressed to learn that they supply Masterchef and My Kitchen Rules with the native ingredients used on their shows!

Daniel was keen to introduce the students to as many foods as he could in our 2 1/2 hour session. The students helped him to prepare a quandong chutney, it smelt amazing and we couldn't wait to taste it. Next, Daniel introduced us to some native herbs and spices and prepared a flat bread that was flavoured with pepperberry, native

thyme and saltbush. When that was cooked, the aroma in the kitchen was making us all hungry, then came the meat. Daniel marinated some kangaroo in a variety of herbs and spices and cooked it in a very hot pan. We learned that the trick to cooking kangaroo is to cook it hot and fast. When the kangaroo was cooked, he cooked some water buffalo in the same pan. By this time, I think some of us were starting to drool! Finally, Daniel put the masterpiece together, a piece of flatbread, some kangaroo or buffalo, quandong chutney, red onion, native parsley, then topped with another piece of flatbread. He cut it into wedges and we all got to try the kangaroo and buffalo. It was all delicious, but I think I preferred the taste of the

buffalo. We had a bit of time (and thyme) left over so we experimented with some muffins. The lemon myrtle muffins were absolutely delicious as were the savoury muffins that we stuffed with quandong chutney, crispy fried kangaroo and crispy fried saltbush. While we were waiting for the muffins to cook, Daniel made us all a cup of Wattleseed "coffee". It had a slight nutty, chocolate taste and is much better for you than coffee.

The students had a great time learning from Daniel and trying new foods and we were all sad when the time was up.

We are now looking forward to a trip out to Newchurch's farm later in the year, when we will be cooking on an open fire.

BETINA DAVIES | HOME EC TEACHER

MEL RICHARDS HEAD OF EARLY LEARNING

Fostering whole school relationships

Relationships is one of the three central school values at Central Yorke School.

Relationships is one of the three school values at Central Yorke School. Why relationships? Relationships support and influence a child/student level of participation and engagement in the program and curriculum. Positive relationships with educators and peers also influence, their level of attendance, their social and emotional development, as well as their behaviours and dispositions for learning such as, confidence, resilience and risk taking.

Our ELC philosophy also identifies relationships as one of our core values. One of the statements in our philosophy highlights the importance of working together with families and school communities.

“*Relationships... are working together with families and school communities to provide all children with quality programs and opportunities enabling strong foundations for school transitions.*”

The notion of 'continuity of learning' to support and guide children/students with their key transition points from Birth to 18 years, is a whole school focus. As a school we are being creative in the programs we offer and utilising opportunities to support transition and whole school relationships. These programs include, Little Groovers, extended school transition, school students spending time in the ELC for play based learning, teachers and SSO's working across the school and the ELC children accessing the many resources and specialised learning environments at Central Yorke.

Shared Reading

This term, the ELC children during their fortnightly library visits have been engaged in shared reading with the Miss Muir's year 5/6 class. This has been highly successful with many benefits for both groups of children and students. It has also supported our targeted learning outcomes around our PQIP (site improvement) goal of developing children's phonological awareness of initial sounds, syllabification and rhyme to develop children's early reading skills. It is also supporting the 5/6 students who are reluctant to read to pick up a book and read. What better way than sharing a book with a friend! Best of all, there is a buzz of excitement and fun during these sessions.

If you have any further questions or have concerns about your child, please do not hesitate in making a time to speak with us.

Melissa Richards

.....

HEAD OF EARLY YEARS

Melissa.Richards118@schools.sa.edu.au

KATH MAGAREY | HEAD OF POINT PEARCE

Point Pearce News

Literacy and unique experiences.

There has been some exciting experiences in Literacy this term with Book Week and Indigenous Literacy Day. The R-2 students focused on a dreaming story How The Birds Got Their Colours and looked wonderful in their beautiful coloured wings they made at school at the Book Week Assembly.

They enjoyed watching the online event for Indigenous Literacy Day on Thursday and seeing the song Heads Shoulders Knees and Toes being sung in First Languages. Our students have been singing the same song in Nharrunga language!

Our R-2 students have been busy writing back to their pen pals at Trinity Gardens and we have seen some really great examples of writing coming from this experience. The students are visiting the Point Pearce Campus in Week 3 and everyone is getting very excited to meet their pen pals.

Preschool News

The Department for Education have released their Preschool Position Statement and we are very happy to see that one of the key messages is to recognise and value the unique experiences and strengths that children bring to preschool.

At the Point Pearce Preschool we acknowledge Aboriginal ways of growing, knowing and learning as well as their language, culture and spirit as being important to their learning and development. We are always striving to make meaningful connections with Aboriginal families and the community to support children's learning, identity and belonging.

Congratulations

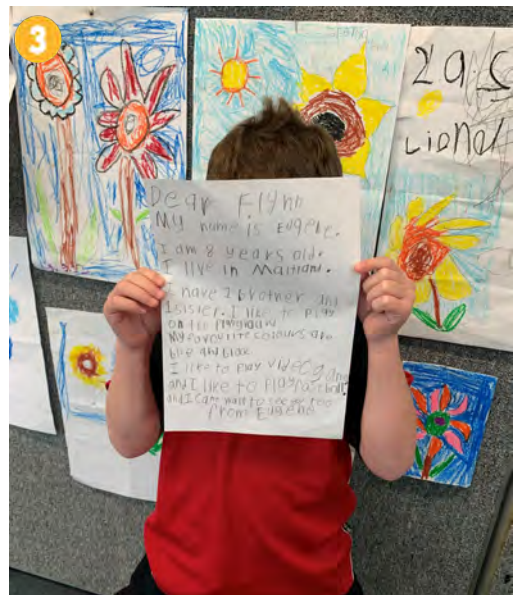

All Year 1 students in South Australia take the Phonics Screening Check Test. We are extremely proud of Telicia Karpny from the Point Pearce Campus who achieved the highest score of all Year One students at CYS. It's great to know that the Literacy teaching at Point Pearce and Telicia's commitment to learning and regular attendance is having such a positive impact.

Kath Magarey

.....
HEAD OF POINT PEARCE CAMPUS

Kath.Magarey602@schools.sa.edu.au

1. Telicia, who topped the Phonics Screening Test at CYS.
2. Making 'Ooblecks' with Miss Linda.
3. One of the special pen-pal letters the children received.

Making the most of opportunities

Developing skills and talents.

Our CYS Primary Students have had some exciting experiences this term and it's been pleasing to see them making the most of the special opportunities that have come their way, getting out of their comfort zone and developing new skills and talents.

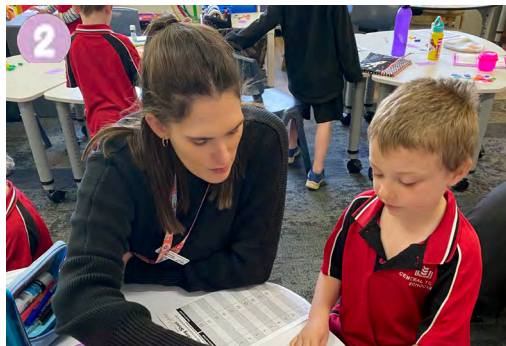

Festival Choir

Our 3-6 Festival Choir travelled to Port Pirie to sing in the 'East of the Ranges' concert at the Keith Michell Theatre. They combined with other Northern YP schools to support the festival and gained valuable experience in live performance in front of a big audience. The Year 5/6's then travelled to Adelaide for the Festival of Music. You can read more about the concert over the page.

Life-Ed

Our R-6 students all attended the Life-Ed sessions, held in a huge inflatable room in the PAC. Younger classes worked with 'Harold the Giraffe' as they explored emotional regulation and building friendships. Older groups looked at protective behaviours, diversity and inclusivity.

Music Workshop

The Year 3/4 class, choir and instrumental students attended a workshop run by the Open Music Academy. Students wrote a song and performed it with help from the University musicians. Our students showed creativity, confidence and respect for our visitors.

Thank you to Mrs Daniell

Fourth-year teaching placement student Keely Daniel has been working with the R/1 class this term. It's been great to see the relationships she's built with the students and the staff over this time. All the best Keely for your teaching and with the new baby!

Chelsea Schmitt

.....
ASSISTANT PRINCIPAL

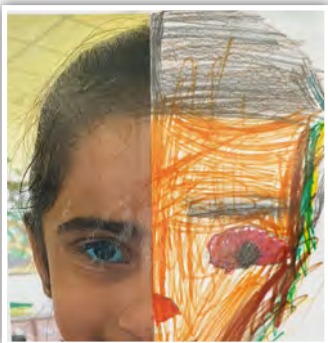

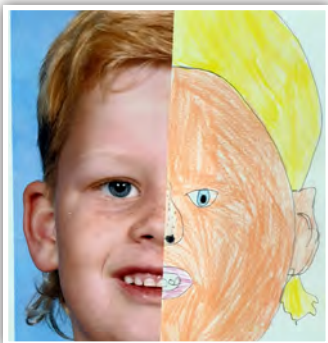

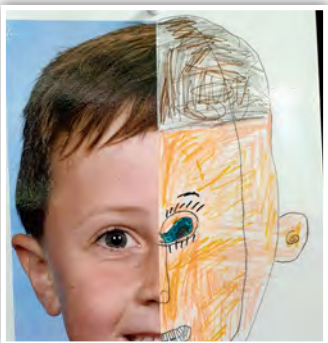

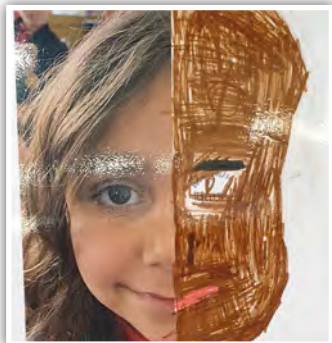

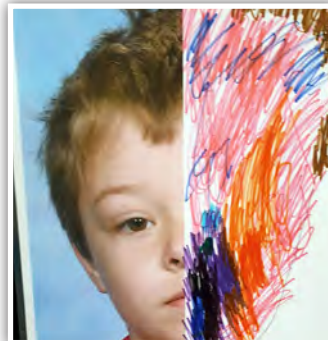

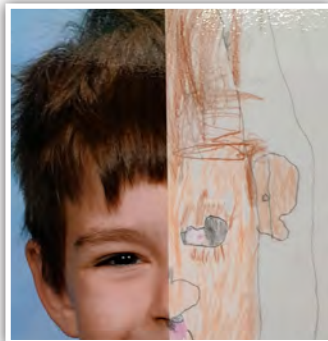

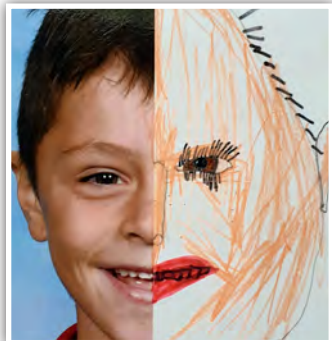

Chelsea.Koch517@schools.sa.edu.au

2. Fourth-year teaching placement student Keely Daniell working with the R/1 Class.
3. Life-Ed Sessions.
4. Katrina conducting the music workshop.
5. Choir members at the Festival Centre.

HALF-A-PORTRAIT

The R/1 Class combined Visual Arts and Maths by re-creating their portraits after they had been cut in half.

Mrs Daniell | R/1 Teaching Placement

The R/1 Webb class were lucky enough to welcome Mrs Daniell at the beginning of Term 3 as she completed her fourth-year teaching placement. Mrs Daniell taught the class new sounds and reading strategies in Literacy, the features of our ears and sounds in Science and all about people we can trust in Health. What we have liked about having Mrs Daniell in our class:

- Making the Trust tree with popsticks
- Listening to her read books.

- We liked asking Mrs Daniell questions about her baby.
- Playing 'Go Fish' and 'Uno' with her.
- We liked when she helped us do our work.

R/1 Webb have thoroughly enjoyed having Mrs Daniell and we wish her all the best for her teaching career.

'East of the Ranges' Concert

On August 31, the Festival Choir travelled to Port Pirie to take part in the 'East of the Ranges' choir concert at the Keith Michell Theatre. The whole day was a huge success and it was so much fun to be part of a big choir on stage.

Congratulations also go to the Senior Vocal Ensemble who impressed the audience with their beautiful singing and harmonies. Thank you to the staff and parents who supported our students throughout the day..

'Festival of Music' Concert

On Wednesday September 14 the school's Primary Choir students performed on stage at the Adelaide Festival Theatre as part of the Public Primary Schools Festival of Music

This year the Festival's nine concerts featured Year 5 and 6 students as Year 7 students are now at secondary schools. To commemorate this significant change, SA composer Annie Kwok wrote the song "Who Knows?". During the concert there were a number of Guest Artists from public primary and secondary schools,

other choir items that presented different musical genres, and pieces that specifically showcased the talents of the orchestra.

CYS student Caitlyn Tape auditioned and won a solo in the show's penultimate song and performed with confidence and energy. Thank you to choir-leader Debbie Schwartz for your professional preparation of our students . It was a spectacular event that they all enjoyed being a part of.

We acknowledge Nharangga people as the Traditional Custodians of this land, and of the significance of the Minlagawi area. In particular we pay respect to the Windara (east) people, of the garrdi (emu) totem, the connection to language, culture, community, and Country, and to Elders past and present.

R-6 Art Corner

The year 2 class created fish mosaics based on the works of American artist Cynthie Fisher.

YP schools win big at Royal Adelaide Show

Jarryd Rowley
REPORT BY

YORKE Peninsula schools have returned from the Royal Adelaide Show with strong results.

Port Broughton Area School placed first, fourth and fifth in the Off the Hoof competitions while also bringing home the Most Professional Team award in the goats category.

Students prepared for the event by attending the Copper Coast Show where they were able to learn what judges were looking for from handlers, and walked away with a first place ribbon.

Central Yorke School also had great results in the Led Steer and Led Goat competitions, winning a first place rib-

bon for their led steer Mac who was first in its weight class.

CYS also had the highest-scoring Murray Grey school hoof and hook, third highest Murray Grey carcass, fourth in class for heavy domestic school carcass, fifth in the Led Steer handling (Sophie Baker) and fifth in the Led Goat handlers' final (Annabel Geater-Johnson).

Students had been training their livestock for months under the guidance of teachers Jaynelle Le Fevure and Sarah Townsend.

"CYS would like to thank Amy Nankivell at Ashvell Murray Greys and to Chris Thompson at Bayview Shorthorns for supplying the steers," a school spokesperson said.
