CIRCULAR TO PARENTS RE: COVID-19 Update

Dear Parents/Caregivers,

Today the Premier announced a 7-day statewide lockdown starting at 6.00pm tonight (Tuesday 20 July). All parents who can care for their children at home should now be doing so, only the children of essential workers and vulnerable children will be able to attend during this period. This is a challenging time, and the department has approved the following:

- Wednesday 21st July – Pupil Free Day to prepare for Remote Learning.
- Thursday 22nd July – School Closure with Remote Learning.
- Friday 23rd July – School Closure with Remote Learning.
- Monday 26th July – School Closure with Remote Learning.
- Tuesday 27th – School Closure with Remote Learning.

Students who attend on the pupil free day will not be provided with a learning program on that day. A skeleton staff of teaching and support workers will supervise students who attend during Remote Learning as they complete their online and remote learning activities. All students have been asked to take home school laptops/devices, books and anything else they need to continue their learning from home.

During this 7 day period teaching staff will contact families to check on students' learning progress. There will be no online face-to-face sessions run during this 7 day period, we will revisit and communicate changes to this if the lockdown is extended.

Information is changing rapidly and we will endeavor to keep our community updated. We encourage all parents to download the Skoolbag App and subscribe to the CYS Facebook page.

All South Australians are making sacrifices to ensure our community remains as safe as possible. We appreciate that this is a significant undertaking for you and your family. Your child's teacher, our support staff and I are here to support you where we can. Please feel free to contact the school if you have any questions or concerns regarding the learning provided.

Kind Regards

Scott Moore
Principal
